Whereas doubts have been entertained as to the extent of the powers given to the Poor Law Board by sections five and six of the Metropolitan Poor Act, 1867, it is hereby enacted and declared that those powers may be exercised by the Local Government Board in order to the provision of asylums, workhouses, or other buildings for the reception of any class or classes of the poor chargeable in the metropolis.

But the said powers and remedies shall not be exercised or put in force by the managers until they shall have been authorised to do so by the Local Government Board, and shall be exercised subject to any restrictions which may be imposed from time to time by the Board.

Provided also, that no sum shall be recoverable by managers under the provisions of this Act in respect of any expenses incurred by them other than those which shall be the subject of a separate charge in respect of an inmate to any union or parish in the district.

Special provisions as to Deptford Creek Bridge.

1 Vict. c. cxx.

**23.** Whereas under the provisions of a local and personal Act passed in the first year of the reign of Her present Majesty, that is to say, the Act first Victoria, chapter one hundred and twenty (in this Act referred to as "the Act of 1837"), the London and Greenwich Railway Company\* are required to pay by way of compensation, recompense, or allowance to the Deptford Creek Bridge Company in every year the difference (if any) between the moneys received in such year by the said Deptford Creek Bridge Company by way of rent for the tolls taken in respect of such bridge and a sum of two thousand three hundred and twenty-five pounds :

And whereas it is expedient that from and after the transfer to the Board of the undertaking of the Deptford Creek Bridge Company, provision should be made for the payment to the Board of so much on account of such compensation, recompense, or allowance as shall be just, and as but for the passing of this Act would continue to be paid to the Deptford Creek Bridge Company by the London and Greenwich Railway Company\* : Therefore,

In estimating the consideration to be paid for the undertaking of the Deptford Creek Bridge Company, such consideration shall be estimated upon the basis that the Deptford Creek Bridge Company is entitled to receive not only the actual tolls of such bridge, but also annually and in perpetuity from the London and Greenwich Railway Company,\* their lessees and assigns, the difference between such tolls and the sum of two thousand three hundred and twenty-five pounds, and the net annual value of the tolls and revenue of the said company shall be ascertained separately in manner by this Act prescribed, and due regard shall be had to the liability of the London and Greenwich Railway Company,\* their lessees and assigns, under section nine of the Act of 1837, to the payments therein prescribed in respect of such tolls and revenue and to the possible determination thereof, and the amount of the net annual value of such tolls as specifically ascertained is herein-after in this section referred to as "the net annual value of the tolls of Deptford Creek Bridge."

7 W. 4. and  
1 Vict. c. cxx. The properties by the tenth section of the Act of 1837 charged with the payment to the Deptford Creek Bridge Company of compensation, recompense, or allowance shall continue to be charged

29. All sums which from time to time the Board may require for the purpose of carrying to the Consolidated Loans Fund such sums as may be approved by the Treasury as necessary to be so carried in respect of moneys borrowed under the authority of this Act, and all sums which from time to time the Board may require to defray any such expenses as aforesaid and which any vestry† or district board† may by precept be required to pay to the Board in pursuance of the provisions of this Act, shall in such precept be termed "bridge expenses,"‡ and shall be paid by such vestry† and district board† respectively, and shall be raised in like manner as if the same were required by the said vestry† or district board† for defraying such of the expenses of such vestry† or district board† as are chargeable upon their general rate.

Moneys required from vestries and district boards to be raised as a general rate.

and planting

4. The Metropolitan Board of Works may lay out, drain, level, plant, and improve the Scrubs, in such manner as may be from time to time agreed upon with the Secretary of State for War, as being most expedient for the execution of this Act, but if they shall not agree as to such laying out, draining, levelling, planting, and improvement, it shall be referred from time to time, or as often as necessary, to two arbitrators (one to be chosen by the Secretary of State for War, and the other by the Metropolitan Board of Works), with power to them to appoint an umpire in the usual way, to settle such difference ; and the Metropolitan Board of Works shall maintain the Scrubs and the inclosure thereof in such condition as may make the Scrubs most suitable for the trusts and purposes declared by this Act respecting the same.

- (4.) A person committing an act for which he is liable to a fine under this section may be removed by any constable by force from the Scrubs or any part thereof, and may be taken into custody by any constable without warrant :

(5.) The Metropolitan Board of Works shall, so far as is reasonably practicable, cause notice to be given of the portion of the Scrubs for the time being required to be kept clear, and of the time or times at which and the period during which it is to be so kept clear, but the absence of such notice shall not exempt a person from any fine or liability under this section, nor interfere with the right of the Secretary of State for War, or of Her Majesty's forces, or persons acting under his authority, or of the Metropolitan Board of Works, to use the Scrubs and exercise the powers conferred by this Act.

6. Whereas by the Metropolitan Board of Works Act, 1877, the Metropolitan Board of Works has power to make byelaws as regards the parks and other open spaces therein mentioned for the purposes particularly mentioned in the said Act, and enactments are made with respect to the enforcement of such byelaws, and it is expedient to extend the said Act to the Scrubs: Be it therefore enacted as follows:

PROTECTION OF THE METROPOLIS FROM FLOODS AND INUNDA-

execution by himself or by any other person or body of any flood works for which such owner is in pursuance of this Act liable to provide upon any lands of which he is the owner or occupier unless after the execution of such works such lands are permanently injuriously affected thereby, and then only to the extent of such permanent injury.

26. When any claim is made for compensation under the authority of this Act the standing arbitrator shall have power to decide upon the validity of such claim, and to determine what (if any) compensation shall be made to the person or body making such claim, and in adjudicating upon such claim the standing arbitrator shall have regard to the nature of the flood works with respect to which the claim has arisen, the manner in which the same have been executed, the benefit (if any) which has accrued or which may reasonably be expected to accrue to the person or body making such claim by reason of the execution of such works, and generally to all the circumstances of the case ; and the standing arbitrator may, in determining the compensation to be paid for any lands or interest in lands taken or injuriously affected under the authority of this Act, according as he shall think fit, include in or exclude from such compensation an allowance in respect of the compulsory powers of this Act, and he may make such order as to the payment of the costs of such arbitration wholly or in part by the Board or the claimant, as he shall think just.

Powers of standing arbitrator as to amount of compensation.

27. For the purpose of determining the validity of claims for compensation and the amount of compensation payable in respect of any claim declared to be valid by this Act directed to be settled by arbitration, there shall be an arbitrator, in this Act called the "standing arbitrator," appointed and acting as follows ; (that is to say,)

Appointment of standing arbitrator.

- (4.) The remuneration of the standing arbitrator shall be paid by the Board.

Before any standing arbitrator enters upon the duties of his office he shall in the presence of a Justice make and subscribe the following declaration ; (that is to say,)

and determine all matters which may from time to time be referred to me under the provisions of the Metropolis Management (Thames River Prevention of Floods) Amendment Act, 1879.

*A.B."*

And if the standing arbitrator having made such declaration wilfully acts contrary thereto, he shall be guilty of a misdemeanor.

If any reference is pending before a standing arbitrator at the time when he resigns or goes out of office by effluxion of time, it shall nevertheless be proceeded with by him, and his decision shall have the like effect as if he had not resigned or gone out of office.

Proceedings  
before  
standing  
arbitrator.

28. The standing arbitrator shall appoint a place and time for the hearing of any matter coming before him, and shall cause six days previous notice thereof to be given in such manner as he shall think proper, and at such place and time shall consider such matter and hear the parties appearing by themselves, their counsel, solicitors, or agents, and take evidence, and the standing arbitrator may administer an oath or an affirmation (where an affirmation in lieu of an oath would be admitted in a court of justice) to any person before hearing any evidence from him, and may admit the affidavit or declaration of any person.

The standing arbitrator, on the application of any party, may by summons require the attendance before him of any person to be examined as a witness before him, and may, on the like application, by summons require any person to bring before him all books, papers, and writings in his possession, custody or control relating to any matter to be inquired into by the standing arbitrator.

Every person so summoned shall attend the standing arbitrator and answer all questions touching the matter to be inquired into, and bring and produce all papers, books, and writings required according to the tenor of the summons ; and every such person not attending in obedience to such summons, or refusing to answer such questions, or failing to bring or produce such papers, books, and writings as aforesaid, shall be liable, if the standing arbitrator shall so order, to a penalty not exceeding fifty pounds : Provided that any person so summoned shall not be bound to obey the summons unless a reasonable sum is first paid or tendered to him for his expenses.

If any person on examination on oath or affirmation before the standing arbitrator, or in any affidavit or declaration used before the standing arbitrator, wilfully gives false evidence, he shall be deemed guilty of perjury.

In case any party fail to appear at the time and place appointed for the hearing of any matter by the standing arbitrator, the standing arbitrator may proceed with the hearing of such matter in the absence of such party.

The decision of the standing arbitrator in any arbitration under this Act shall be final and binding upon the parties to such arbitration.

(11.) The provisions of this Act with respect to the purchase of land by the Police Receiver shall extend to the purchase of land of which such Receiver is lessee or occupier in like manner as if another person were for the time being lessee or occupier of such

land, save that the provisions with respect to the notices to, and the assent or dissent of, and the service of a copy of the order on, lessees and occupiers shall not apply so far as respects the Police Receiver, and save that after an order under this section for purchasing such land is confirmed by Parliament, the Police Receiver may give notice to and purchase the estate, right, or interest of some one or more only of the parties interested in the land, but in that case he shall, if any other of such parties, by notice in writing, so requires him, purchase the estate, right, or interest in the land of such party.

**4—20.** [*Provisions relating to the preparation of the basis or standard for county rates so far as relating to London.* Rep. 32 & 33 Vict. c. 67, s. 77.]

**21.** From and after the passing of this Act, it shall be lawful for the Justices of the Peace\* of the several counties, or divisions of counties in England and Wales, assembled at their General or Quarter Sessions,\* or at any adjournment or adjournments thereof, and they are hereby authorized and empowered, whenever circumstances shall appear to require it, to order and direct a fair and equal county rate to be made, for all the purposes to which the county stock or rate is now or shall hereafter be made liable by law, according to the basis or standard for the time being in force in such county or division of a county†; and for that purpose to assess and tax every parish, township, and other place, whether parochial or extra-parochial, within the respective limits of their commissions, or within such divisions, rateably and equally, according to a certain pound rate (to be from time to time fixed and publicly declared by such Justices\*), upon the basis or standard herein-before mentioned, of the full and fair annual value of the property, messuages, lands, tenements, and hereditaments rateable to the relief of the poor therein, or which in any place not maintaining its poor would be liable to be rated for the relief of the poor if the said last-mentioned place were a parish, any law or statute to the contrary thereof notwithstanding; and the Justices of the Peace\* shall in all cases where the same may be necessary appoint proper persons within such extra-parochial or other places for the assessing, taxing, and rating such extra-parochial property, messuages, lands, tenements, and hereditaments, and levying, collecting, and paying over such assessment, taxes, or rates.

**22.** If the churchwarden or churchwardens, overseer or overseers of the poor,‡ or other inhabitant or inhabitants of any parish, township, or place, whether parochial or otherwise, where there is no churchwarden or overseer, or person appointed to act as such, shall at any time thereafter have reason to think that such parish, township, or place is aggrieved by any rate or assessment now existing, or hereafter to be made upon the basis or standard herein-before mentioned, either in pursuance of this Act or of any Act or Acts now in force, whether it be on account of the proportions assessed upon the respective parishes, townships, or places being unequal, or on account of some one or more of them being without sufficient cause omitted altogether from the rate, or on account of such parish, township, or place being rated at a higher proportion of the pound sterling according to the fair annual value of the rateable property therein, or on account of some other parish or parishes, township or townships, place or places being rated at a lower proportion of the pound sterling according to the fair annual value of the rateable property therein than has been fixed and declared by the Justices of the Peace of the said county in sessions\* assembled as the basis of the rate of the said county, or on account of the altered state of the value of the property assessed, or any part thereof, or shall have any other just cause of complaint whatsoever, it shall be lawful for such churchwarden or churchwardens, overseer or overseers of the poor, or other inhabitant or inhabitants where there is no churchwarden or overseer,‡ or person appointed to act as such, to appeal to the Justices of the Peace for the county at the next Quarter Sessions of the Peace after such cause of appeal shall have arisen, against such part of the rate only as may affect the parish or parishes, township or townships, place or places which are unequally rated, or which shall appear to be over-rated or under-rated, or omitted altogether from the rate: Provided always, that fourteen clear days notice in writing previous to the first day of such

**23.** From and after the passing of this Act, the county rate or rates made upon any parish, township, or place (whether extra-parochial or otherwise) shall be paid, and shall and may be levied, recovered, and received, notwithstanding any appeal or appeals may have been made to the Quarter Sessions of the Peace against any such rate or rates, and such rate or rates shall continue to be raised, levied, and received until the decision of the Justices shall be made upon such appeal or appeals: Provided always, that if upon the hearing of any such appeal or appeals the Court of Quarter Sessions of the Peace shall order any rate or assessment to be set aside, decreased, or lowered, and it shall appear to the said court that any parish, township, or place have or hath, previously to the determination of such appeal or appeals, paid any sum or sums of money in consequence of such rates or assessments which ought not to have been paid or charged therein, then and in every such case the said court shall order such proportion of such sum or sums of money as shall have been so paid by any person or persons, parish, township, or place, subsequently to the notice which shall have been given of such last-mentioned appeal or appeals, to be repaid and returned to the person or persons, parish, township, or place which have or hath paid the same respectively, out of the general rate of the county in which the cause of appeal shall have arisen.

Expenses of appeals or proceedings at law shall be paid in such proportions as the Justices or Courts of Law shall award.

**26.** When and as often as the Justices of the Peace† within the respective limits of their commissions in England have made a county rate, a printed list‡ of the parishes and places assessed to such rate, and the amount of the rateable value upon which each such parish and place shall have been respectively assessed, shall be sent to the overseers of the poor,\* constables, or other persons charged with the collection or levy of the county rate in every parish and place within the county, and such Justices, assembled at their General or Quarter Sessions,† or at any adjournment thereof, shall order precepts§ in the form shown in the Schedule annexed to this Act, or as near thereto as may be, to be issued to the guardians of every union of parishes, of which union any parish is situate within such limits, stating the sum or sums assessed and charged for each such rate on each parish in the union the whole of which parish is situate within such limits, and to the guardians of every single parish situate within such limits, stating the sum or sums assessed and charged on such parish for each such rate, and requiring the guardians of such union or parish respectively, within such time as may be limited in such precepts, to cause the aggregate of the said several sums so stated to be paid by them, out of the monies held by them on behalf of each such parish, to the treasurer of the county or place for which such Justices† act, and may cause such precepts to be sent, by post or otherwise, to such guardians; and such precepts shall have force in every such union, so far as concerns such parishes as are within the limits of the commission of the said Justices, notwithstanding that the place of meeting of such guardians may not be situated within such limits, and without being endorsed with the signature of any Justice of the Peace having ordinary jurisdiction in the place of meeting of the guardians; and such guardians shall raise the monies required by such precepts to be paid in like manner as the money required by such guardians for the relief of the poor, and shall pay such monies at the time limited and in the manner prescribed by such precepts; and if the treasurer of such guardians, or any person on his or their behalf, tender to the treasurer of the county or place for which such Justices† act the aggregate of the said several sums, or if he so tender the whole sum assessed on any such parish or parishes in respect of any such rate or rates, together with a copy of such precept in which are specified the parish or parishes and the rate or rates in respect of which the same is so tendered, the treasurer of the county shall receive the sum so tendered, notwithstanding that the sums required to be paid on behalf of other of such parishes or of other of such rates be not then tendered, and shall give a receipt for the sum or sums received by him accordingly, but he shall not receive any sum on behalf of any such parish less than the whole of the sum assessed and charged thereon in respect of one such rate; and the receipt of the treasurer of such county or place shall be a good discharge for the payment of the sums specified in any such precept or of any of them.

4—18. [*Provisions relating to procedure by Provisional Order for the construction of tramways.†*]

\* See 62 & 63 Vict. c. 14, ss. 4 and 19.

† These sections are omitted, as Provisional Order procedure has become unusual in London.

Local authority may lease or take tolls.

19. . . . Where any local authority has under the provisions of this Act acquired possession of any tramway, such authority may, with the consent of the Board of Trade, and subject to the provisions of this Act, by lease, to be approved of by the Board of Trade, demise to any person, persons, corporation, or company, the right of user by such person, persons, corporation, or company of the tramway, and of demanding and taking in respect of the same the tolls and charges authorised; or such authority may leave such tramway open to be used by the public, and may in respect of such user demand and take the tolls and charges authorised; but nothing in this Act contained shall authorise any local authority to place or run carriages upon such tramway, and to demand and take tolls and charges in respect of the use of such carriages. [*See 59 & 60 Vict. c. li. s. 2; 63 & 64 Vict. c. cclxx. s. 41; 1 Edw. 7, c. cclxxi. s. 17; 2 Edw. 7, c. ccxviii. s. 12, and c. ccxix. s. 8; 3 Edw. 7, c. ccxix. s. 8; 4 Edw. 7, c. ccxxxi. s. 23; and 6 Edw. 7, c. clxxxi. s. 54.*]

Notice of the intention to make such lease shall be published by the local authority by advertisement, and a copy of such lease shall be deposited according to the regulations contained in Part I. of the Schedule (C.) to this Act annexed; and unless such notice is given, and such copy deposited, such lease shall not be approved of by the Board of Trade.

Every such lease shall be made for a term or for terms not exceeding in the whole twenty-one years.

On the determination of any lease made under this Act, the local authority may from time to time, with the consent of the Board of Trade, by lease, demise such rights for such further term or terms, not exceeding in any case twenty-one years, as the said Board may approve.

Every such lease shall imply a condition of re-entry if at any time after the making of the same the lessees discontinue the working of the tramway leased, or of any part thereof, for the space of three calendar months (such discontinuance not being occasioned by circumstances beyond the control of such lessees, for which purpose the want of sufficient funds shall not be considered a circumstance beyond their control).

The person, persons, corporation, or company to whom any such lease may be made are in this Act referred to as "lessees."

20. [*Powers to local authorities, where they are the promoters of any tramway, to defray the expenses of applying for, obtaining, and carrying into effect Provisional Orders out of the local rate, and to borrow for such purposes on the credit of such local rate.*]

21. [*Power to the Metropolitan Board of Works to create additional stock under 32 & 33 Vict. c. 102, not exceeding £300,000, for carrying into effect any Provisional Order obtained by them. Spent.*]

## PART II.

### Construction of Tramways.

22. Part II. and Part III. of this Act shall apply to every tramway which is hereafter authorised by any Provisional Order or Act of Parliament, and shall be incorporated with such Provisional Order or Act, and all the said provisions of this Act, save so far as they shall be expressly varied or excepted by any such Provisional Order or Act, shall apply to the undertaking authorised thereby, so far as the same shall be applicable to such undertaking, and shall, with the provisions of every other Act or part of any Act which shall be incorporated therewith, form part of the said Provisional Order or Act, and be construed therewith as forming one Provisional Order or Act, as the case may be.

**23.** In Part II. and Part III. of this Act, the term "special Act" shall be construed to mean any Act of Parliament which shall be hereafter passed or any Provisional Order authorising the construction of a tramway, and with which the said parts of this Act shall be incorporated as aforesaid.

**24.** The term "the promoters" shall mean any person, persons, corporation, company, or local authority authorised by special Act to construct a tramway.

**25.** Every tramway which is hereafter authorised by special Act shall be constructed on such gauge as may be prescribed by such special Act, and if no gauge is thereby prescribed, on such gauge as will admit of the use upon such tramways of carriages constructed for use upon railways of a gauge of four feet eight inches and half an inch, and shall be laid and maintained in such manner that the uppermost surface of the rail shall be on a level with the surface of the road, and shall not be opened for public traffic until the same has been inspected and certified to be fit for such traffic, in the prescribed manner.

**26.** The promoters from time to time, for the purpose of making, forming, laying down, maintaining, and renewing any tramway duly authorised, or any part or parts thereof respectively, may open and break up any road, subject to the following regulations:

1. They shall give to the road authority notice of their intention, specifying the time at which they will begin to do so, and the portion of road proposed to be opened or broken up, such notice to be given seven days at least before the commencement of the work:
2. They shall not open, or break up, or alter the level of any road, except under the superintendence and to the reasonable satisfaction of the road authority, unless that authority refuses or neglects to give such superintendence at the time specified in the notice, or discontinues the same during the work:
3. They shall pay all reasonable expenses to which the road authority is put on account of such superintendence:
4. They shall not, without the consent of the road authority, open or break up at any one time a greater length than one hundred yards of any road which does not exceed a quarter of a mile in length, and in the case of any road exceeding a quarter of a mile in length the promoters shall leave an interval of at least a quarter of a mile between any two places at which they may open or break up the road, and they shall not open or break up at any such place a greater length than one hundred yards.

Where the carriageway over any bridge forms part of or is a road within the jurisdiction of a road authority, but such bridge is vested in some person or persons, corporation, or company, distinct from such road authority, any work which the promoters may be empowered to construct, and which affects or in anywise interferes with the structural works of such bridge, shall be constructed under the superintendence (at the cost of the promoters) and to the reasonable satisfaction of such person, persons, corporation, or company, unless after notice to be given by the promoters seven days at least before the commencement of such work such superintendence is refused or withheld.

Where the carriageway in or upon which any tramway is proposed to be formed or laid down is crossed by any railway or tramway on the level, any work which the promoters may be empowered to construct, and which affects or in anywise interferes with such railway or tramway, or the traffic thereon, shall be constructed and maintained under the superintendence (at the cost of the promoters) and to the reasonable satisfaction of the person, corporation, or company owning such railway or tramway, unless after notice to be given by the promoters seven days at least before

the commencement of such work such superintendence is refused or withheld.

Completion  
of work and  
reinstatement  
of road.

**27.** When the promoters have opened or broken up any portion of any road, they shall be under the following further obligations; namely,

1. They shall, with all convenient speed, and in all cases within four weeks at the most (unless the road authority otherwise consents in writing) complete the work on account of which they opened or broke up the same, and (subject to the formation, maintenance, or renewal of the tramway) fill in the ground and make good the surface, and, to the satisfaction of the road authority, restore the portion of the road to as good condition as that in which it was before it was opened or broken up, and clear away all surplus paving or metalling material or rubbish occasioned thereby:
2. They shall in the meantime cause the place where the road is opened or broken up to be fenced and watched, and to be properly lighted at night [see 18 & 19 Vict. c. 120, s. 111]:
3. They shall bear or pay all reasonable expenses of the repair of the road for six months after the same is restored, as far as those expenses are increased by the opening or breaking up.

If the promoters aforesaid fail to comply in any respect with the provisions of the present section, they shall for every such offence (without prejudice to the enforcement of specific performance of the requirements of this Act or to any other remedy against them) be liable to a penalty not exceeding twenty pounds, and to a further penalty not exceeding five pounds for each day during which any such failure continues after the first day on which such penalty is incurred.

Repair of  
part of road  
where tram-  
way is laid.

**28.** The promoters shall, at their own expense, at all times maintain and keep in good condition and repair, with such materials and in such manner as the road authority shall direct, and to their satisfaction, so much of any road whereon any tramway belonging to them is laid as lies between the rails of the tramway and (where two tramways are laid by the same promoters in any road at a distance of not more than four feet from each other) the portion of the road between the tramways, and in every case so much of the road as extends eighteen inches beyond the rails of and on each side of any such tramway. If the promoters abandon their undertaking, or any part of the same, and take up any tramway or any part of any tramway belonging to them, they shall with all convenient speed, and in all cases within six weeks at the most (unless the road authority otherwise consents in writing), fill in the ground and make good the surface, and, to the satisfaction of the road authority, restore the portion of the road upon which such tramway was laid to as good a condition as that in which it was before such tramway was laid thereon, and clear away all surplus paving or metalling material or rubbish occasioned by such work; and they shall in the meantime cause the place where the road is opened or broken up to be fenced and watched, and to be properly lighted at night: Provided always, that if the promoters fail to comply with the provisions of this section, the road authority, if they think fit, may themselves at any time, after seven days notice to the promoters, open and break up the road, and do the works necessary for the repair and maintenance or restoration of the road, to the extent in this section above mentioned, and the expense incurred by the road authority in so doing shall be repaid to them by the promoters. [See 63 & 64 Vict. c. ccxxxviii. ss. 7 (2) and 11.]

Road autho-  
rity and pro-  
moters may  
contract for  
paving roads

**29.** The road authority on the one hand and the promoters on the other hand may from time to time enter into and carry into effect, and from time to time alter, renew, or vary, contracts, agreements, or arrangements with respect to the paving and keeping in repair of the whole or any portion of

the roadway of any road on which the promoters shall lay any tramway, and the proportion to be paid by either of them of the expense of such paving and keeping in repair. on which tramways are laid.

**30.** For the purpose of making, forming, laying down, maintaining, repairing, or renewing any of their tramways, the promoters may from time to time, where and as far as it is necessary, or may appear expedient for the purpose of preventing frequent interruption of the traffic by repairs or works in connexion with the same, alter the position of any mains or pipes for the supply of gas or water, or any tube, wires, or apparatus for telegraphic or other purposes, subject to the provisions of this Act, and also subject to the following restrictions ; (that is to say,)

Provision as to gas and water companies.

1. Before laying down a tramway in a road in which any mains or pipes, tubes, wires, or apparatus may be laid, the promoters shall, whether they contemplate altering the position of any such mains or pipes, wires, or apparatus, or not, give seven days notice to the company, persons, or person to whom such mains or pipes, tubes, wires, or apparatus may belong or by whom they are controlled, of their intention to lay down or alter the tramway, and shall at the same time deliver a plan and section of the proposed work. If it should appear to any such company or persons that the construction of the tramway as proposed would endanger any such main or pipe, tube, wire, or apparatus, or interfere with or impede the supply of water or gas or the telegraphic or other communication, such company or person (as the case may be) may give notice to the promoters to lower or otherwise alter the position of the said mains or pipes, tubes, wires, or apparatus in such manner as may be considered necessary, and any difference as to the necessity of any such lowering or alteration shall be settled in manner provided by this Act for the settlement of differences between the promoters and other companies or persons, and all alterations to be made under this section shall be made with as little detriment and inconvenience to the company or person to whom such mains or pipes, tubes, wires, or apparatus may belong, or by whom the same are controlled, or to the inhabitants of the district, as the circumstances will admit, and under the superintendence of such company or person or of their surveyor or engineer if they or he think fit to attend, after receiving not less than forty-eight hours notice for that purpose, which notice the promoters are hereby required to give :

2. The promoters shall not remove or displace any of the mains or pipes, valves, syphons, plugs, tubes, wires, or apparatus, or other works belonging to or controlled by any such company or person, or do anything to impede the passage of water or gas or the telegraphic or other communication into or through such mains or pipes, without the consent of such company or person, or in any other manner than such company or person shall approve, until good and sufficient mains, pipes, valves, syphons, plugs, and other works necessary or proper for continuing the supply of water or gas or telegraphic or other communication, as sufficiently as the same was supplied by the mains or pipes, tubes, wires, or apparatus proposed to be removed or displaced, shall at the expense of the promoters have been first made and laid down in lieu thereof and ready for use, and to the satisfaction of the surveyor or engineer of such water or gas or other company, or of such person, or, in case of disagreement between such surveyor or engineer and the promoters, as an engineer appointed by the Board of Trade shall direct :

3. The promoters shall not lay down any such pipes contrary to the regulations of any Act of Parliament relating to such water or gas or other company, or relating to telegraphs :

4. The promoters shall make good all damage done by them to property belonging to or controlled by any such company or person, and shall make full compensation to all parties for any loss or damage which they may sustain by reason of any interference with such property, or with the private service pipes of any person supplied by any such company or person with water or gas :
5. If by any such operations as aforesaid the promoters interrupt the supply of water or gas in or through any main or main pipe they shall be liable to a penalty not exceeding twenty pounds for every day upon which such supply shall be so interrupted. :

[See 63 & 64 *Vict. c. cccxxviii. ss. 5, 15, and 16.*]

For protection of sewers, etc.

**31.** Where in any district any tramway or any work connected therewith interferes with any sewer, drain, watercourse, subway, defence, or work in such district, or in any way affects the sewerage or drainage of such district, the promoters shall not commence any tramway or work until they shall have given to the proper authority fourteen days previous notice in writing of their intention to commence the same, by leaving such notice at the principal office of such authority with all necessary particulars relating thereto, nor until such authority shall have signified their approval of the same, unless such authority do not signify their approval, disapproval, or other directions within fourteen days after service of the said notice and particulars as aforesaid, and the promoters shall comply with and conform to all reasonable directions and regulations of the said authority in the execution of the said works, and shall provide by new, altered, or substituted works, in such manner as such authority shall reasonably require, for the proper protection of and for preventing injury or impediment to the sewers and works herein-before referred to, by or by reason of the tramways, and shall save harmless the said authority against all and every the expense to be occasioned thereby ; and all such works shall be done under the direction, superintendence, and control of the engineer or other officer or officers of the said authority, at the reasonable costs, charges, and expenses in all respects of the promoters ; and when any new, altered, or substituted work as aforesaid, or any works or defence connected therewith, shall be completed by or at the costs, charges, or expenses of the promoters, under the provisions of this Act, the same shall thereafter be as fully and completely under the direction, jurisdiction, and control of the said authority and be maintained by them as any sewers or works.

Rights of authorities and companies, etc. to open roads.

**32.** Nothing in this Act shall take away or abridge any power to open or break up any road along or across which any tramway is laid, or any other power vested in any local authority or road authority for any of the purposes for which such authority is respectively constituted, or in any company, body, or person for the purpose of laying down, repairing, altering, or removing any pipe for the supply of gas or water, or any tubes, wires, or apparatus for telegraphic or other purposes, but in the exercise of such power every such local authority, road authority, company, body, or person shall be subject to the following restrictions ; (that is to say,)

1. They shall cause as little detriment or inconvenience to the promoters and lessees as circumstances admit.
2. Before they commence any work whereby the traffic on the tramway will be interrupted they shall (except in cases of urgency, in which cases no notice shall be necessary) give to the promoters and lessees, if there be any, notice of their intention to commence such work, specifying the time at which they will begin to do so, such notice to be given eighteen hours at least before the commencement of the work :
3. They shall not be liable to pay to the promoters or lessees any compensation for injury done to the tramway by the execution

of such work, or for loss of traffic occasioned thereby, or for the reasonable exercise of the powers so vested in them as aforesaid :

4. Whenever for the purpose of enabling them to execute such work the local authority or the road authority shall so require, the promoters or lessees shall either stop traffic on the tramway to which the notice shall refer, where it would otherwise interfere with such work, or shore up and secure the same at their own risk and cost during the execution of the work there : Provided that such work shall always be completed by the local authority or the road authority, as the case may be, with all reasonable expedition :

5. Any company, body, or person shall not execute such work so far as it immediately affects the tramway except under the superintendence of the promoters, unless they refuse or neglect to give such superintendence at the time specified in the notice for the commencement of the work or discontinue the same during the progress of the work ; and they shall execute such work at their own expense, and to the reasonable satisfaction of the promoters : Provided that any additional expense imposed upon them by reason of the existence of the tramway in any road or place where any such mains, pipes, tubes, wires, or apparatus shall have been laid before the construction of such tramway shall be borne by the promoters.

33. ### CHAPTER 77.

AN ACT TO AMEND THE LAW RELATING TO HIGHWAYS IN ENGLAND AND THE ACTS RELATING TO LOCOMOTIVES ON ROADS; AND FOR OTHER PURPOSES.

[16th August 1878.]

[*Preamble recites the Locomotives Acts 1861 and 1865.*]

#### *Preliminary.*

1. This Act may be cited as the Highways and Locomotives (Amendment) Act, 1878. Short title.

2. . . . Save as is by this Act expressly provided, Part I. of this Act shall not apply . . . to any part of the metropolis\* . . . Application of Act.

### PART I.\*

#### AMENDMENT OF HIGHWAY LAW.

10. Where complaint is made to the county authority that the highway authority of any highway area within their jurisdiction has made default in maintaining or repairing all or any of the highways within their jurisdiction, the county authority, if satisfied after due inquiry and report by their surveyor that the authority has been guilty of the alleged default, shall make an order limiting a time for the performance of the duty of the highway authority in the matter of such complaint. Power of county authority to enforce performance of duty by defaulting highway authority.

If such duty is not performed by the time limited in the order, and the highway authority fail to show to the county authority sufficient cause why the order has not been complied with, the county authority may appoint some person to perform such duty, and shall by order direct that the expenses of performing the same, together with the reasonable remuneration of the person appointed for superintending such performance, shall be paid by the authority in default, and any order made for payment of such expenses and costs may be removed into the High Court of Justice, and be enforced in the same manner as if the same were an order of such court. [*See also 51 & 52 Vict. c. 41, s. 11 (8).*]

Any person appointed under this section to perform the duty of a defaulting highway authority shall, in the performance and for the purpose of such duty, be invested with all the powers of such authority other than the powers of making rates or levying contributions by precept, and the county authority may from time to time, by order, change any person so appointed.

Where an order has been made by a county authority for the repair of a highway on a highway authority alleged to be in default, if such authority, within ten days after service on them of the order of the county authority, give notice to the clerk of the peace† that they decline to comply with the requisitions of such order until their liability to repair the highway in respect to which they are alleged to have made default has

\* Part I. of this Act does not now apply within London. It was made applicable to London *with respect to main roads* by 51 & 52 Vict. c. 41, s. 41 (4). There were then in London the following roads which had ceased between the 31st December 1870 and the passing of this Act to be turnpike roads, and were accordingly main roads—viz.: Archway Road, Commercial Road East, East Ferry Road, East India Dock Road, Edgware Road, Finchley Road, Green Lanes, Harrow Road, Horseferry Branch Road, Lea Bridge Road, West Ferry Road, and West India Dock Road. Main roads have ceased to exist in London by virtue of 62 & 63 Vict. c. 14, s. 6 (1). *Sed semble* that a highway in London might yet become a main road under an Order made under s. 16 of this Act, and Part I. is accordingly inserted in this work so far as it applies to main roads.

† *Semble*, as regards London, the Clerk of the London County Council. See 51 & 52 Vict. c. 41, ss. 11 (1) and 83 (6).

been determined by a jury, it shall be the duty of the county authority either to satisfy the defaulting authority by cancelling or modifying in such manner as the authority may desire the order of the county authority, or else to submit to a jury the question of the liability of the defaulting authority to repair the highway.

If the county authority decide to submit the question to a jury they shall direct a bill of indictment to be preferred to the next practicable assizes to be holden in and for their county, with a view to try the liability of the defaulting authority to repair the highway. Until the trial of the indictment is concluded the order of the county authority shall be suspended. On the conclusion of the trial, if the jury find the defendants guilty, the order of the county authority shall forthwith be deemed to come into force; but if the jury acquit the defendants the order of the county authority shall forthwith become void.

The costs of the indictment, and of the proceedings consequent thereon, shall be paid by such parties to the proceedings as the court before whom the case is tried may direct. Any costs directed to be paid by the county authority shall be deemed to be expenses properly incurred by such authority, and shall be paid accordingly out of the county rate; and any costs directed to be paid by the highway authority shall be deemed to be expenses properly incurred by such authority in maintenance of the roads within their jurisdiction, and shall be paid out of the funds applicable to the maintenance of such roads.

#### *Main Roads.*

Disturnpiked roads to become main roads.

13. For the purposes of this Act, and subject to its provisions, any road which has, within the period between the thirty-first day of December one thousand eight hundred and seventy and the date of the passing of this Act, ceased to be a turnpike road, and any road which, being at the time of the passing of this Act a turnpike road, may afterwards cease to be such, shall be deemed to be a main road. . . . [*Part omitted rep. 57 & 58 Vict. c. 56 (S.L.R.).*]

Description of highway areas.

14. The following areas shall be deemed to be highway areas for the purposes of this Act; (that is to say,  
(1.) Urban sanitary districts. [*See 51 & 52 Vict. c. 41, s. 41 (4).*]

Power to declare ordinary highway to be a main road.

15. Where it appears to any highway authority that any highway within their district ought to become a main road by reason of its being a medium of communication between great towns, or a thoroughfare to a railway station, or otherwise, such highway authority may apply to the county authority for an order declaring such road, as to such parts as aforesaid, to be a main road; and the county authority, if of opinion that there is probable cause for the application, shall cause the road to be inspected, and, if satisfied that it ought to be a main road, shall make an order accordingly.

A copy of the order so made shall be forthwith deposited at the office of the clerk of the peace\* of the county, and shall be open to the inspection of persons interested at all reasonable hours; and the order so made shall not be of any validity unless and until it is confirmed by a further order of the county authority made within a period of not more than six months after the making of the first-mentioned order.

Power to reduce main road to status of ordinary highway.

16. . . . Where it appears to a county authority that any road within their county which has become a main road in pursuance of this Act ought to cease to be a main road and become an ordinary highway, such authority may apply to the Local Government Board for a Provisional Order

\* Now, as regards London, the Clerk of the County Council. See 51 & 52 Vict. c. 41, ss. 11 (1) and 83 (6).

declaring that such road has ceased to be a main road and become an ordinary highway.

The Local Government Board, if of opinion that there is probable cause for an application under this section, shall cause the road to be inspected, and if satisfied that it . . . ought to cease to be a main road and become an ordinary highway shall make a . . . Order accordingly. . . .

All expenses incurred in or incidental to the making . . . of any Order under this section shall be defrayed by the county authority applying for such Order.

*[Parts omitted (provision that where it appears to a county authority that a road which ceased, between 31st December 1870 and the passing of this Act, to be a turnpike road, should not become a main road, they shall before 1st February 1879 apply to the Local Government Board to so declare by Order, and as to confirmation of Orders made under this section) rep. and superseded by the Highways and Bridges Act 1891, s. 4, and 59 & 60 Vict. c. clxxxviii, s. 31.]*

18. Every highway authority shall keep, in such form as may be directed by the county authority, a separate account of the expenses of the maintenance of the main roads within their jurisdiction, and shall forward copies thereof to the county authority at such time or times in every year as may be required by the county authority, and the accounts so kept shall, where the accounts of the highway authority are audited under this Act or under section two hundred and forty-seven of the Public Health Act, 1875,\* be audited in the same manner as the other accounts of such authority, *and where the accounts of the highway authority are not so audited shall be subject to such audit as the county authority may direct.*

Accounts of expenses of maintenance of main roads.

If any highway authority makes default in complying with the provisions of this section, *or with any directions given in pursuance thereof by the county authority*, the county authority may withhold all or any part of the contribution payable by them under this Act towards the expenses of the maintenance of main roads by such highway authority for the year in which such default occurs.

*[Words in italics do not apply to London.]*

#### *Extraordinary Traffic.*

23. Where by a certificate of their surveyor it appears to the authority which is liable or has undertaken to repair any highway, whether a main road or not, that, having regard to the average expense of repairing highways in the neighbourhood, extraordinary expenses have been incurred by such authority in repairing such highway by reason of the damage caused by excessive weight passing along the same, or extraordinary traffic thereon, such authority may recover in a summary manner from any person *by whose order* such weight or traffic has been conducted the amount of such expenses as may be proved to the satisfaction of the court having cognizance of the case to have been incurred by such authority by reason of the damage arising from such weight or traffic as aforesaid.

Power of road authority to recover expenses of extraordinary traffic.

Provided that any person against whom expenses are or may be recoverable under this section may enter into an agreement with such authority as is mentioned in this section for the payment to them of a composition in respect of such weight or traffic, and thereupon the persons so paying the same shall not be subject to any proceedings under this section.

*[The words "by or in consequence of whose order" substituted for "by whose order," by the Locomotives Act 1898, s. 12 (1) (c).]*

\* See 62 & 63 Vict. c. 14, s. 14 and note thereon.

*Byelaws by County Authority.*

Power of  
county autho-  
rity to make  
byelaws.

**26.** A county authority may from time to time make, with respect to all or any main roads or other highways within any highway area in their county, and when made alter or repeal, byelaws for all or any of the purposes following; that is to say,

- (1.) For prohibiting or regulating the use of any waggon wain cart or carriage drawn by animal power and having wheels of which the fellies or tires are not of such width in proportion to the weight carried by, or to the size of, or to the number of wheels of such waggon wain cart or carriage, as may be specified in such byelaws; and
- (2.) For prohibiting or regulating the use of any waggon wain cart or other carriage drawn by animal power not having the nails on its wheels countersunk in such manner as may be specified in such byelaws, or having on its wheels bars or other projections forbidden by such byelaws; and
- (3.) For prohibiting or regulating the locking of the wheel of any waggon wain cart or carriage drawn by animal power when descending a hill, unless there is placed at the bottom of such wheel during the whole time of its being locked a skidpan slipper or shoe in such manner as to prevent the road from being destroyed or injured by the locking of such wheel; and
- (4.) For prohibiting or regulating the erection of gates across highways, and prohibiting gates opening outwards on highways; and
- (5.) [*As to bicycles. Rep. 51 & 52 Vict. c. 41, s. 85 (q.v.).*]

Fines to be recovered summarily may be imposed by any such byelaws on persons breaking any byelaw made under this section, provided that no fine exceeds for any one offence the sum of two pounds, and that the byelaws are so framed as to allow of the recovery of any sum less than the full amount of the fine.

  - (c.) That the person whose election is questioned was at the time of the election disqualified; or
  - (d.) That he was not duly elected by a majority of lawful votes.
- (2.) A municipal election shall not be questioned on any of those grounds except by an election petition.

- Presentation of petition. **88.**—(1.) An election petition may be presented either by four or more persons who voted or had a right to vote at the election or by a person alleging himself to have been a candidate at the election.
- (2.) Any person whose election is questioned by the petition, and any returning officer of whose conduct a petition complains, may be made a respondent to the petition.

(3.) The petition shall be in the prescribed form and shall be signed by the petitioner, and shall be presented in the prescribed manner to the High Court in the Queen's Bench Division, and the prescribed officer shall send a copy thereof to the town clerk,‡ who shall forthwith publish it in the borough.

(4.) It shall be presented within twenty-one days after the day on which the election was held, except that if it complains of the election on the ground of corrupt practices,§ and specifically alleges that a payment of money or other reward has been made or promised since the election by a person elected at the election, or on his account or with his privity, in pursuance or furtherance of such corrupt practices, it may be presented at any time within twenty-eight days after the date of the alleged payment or promise, whether or not any other petition against that person has been previously presented or tried. [See s. 230.]

- Security for costs. **89.**—(1.) At the time of presenting an election petition or within three days afterwards, the petitioner shall give security for all costs, charges, and expenses which may become payable by him to any witness summoned on his behalf, or to any respondent.

[See, as to metropolitan borough councils, the *Metropolitan Borough Councillors Election Order* 1903, r. 23 (2) (c).]

(5.) An objection to a recognisance shall be decided in the prescribed manner.

(6.) If the objection is allowed, the petitioner may, within a further prescribed time not exceeding five days, remove it by a deposit in the prescribed manner of such sum of money as will, in the opinion of the court or officer having cognisance of the matter, make the security sufficient.

(7.) If no security is given, as prescribed, or any objection is allowed and is not removed, as aforesaid, no further proceedings shall be had on the petition.

90. On the expiration of the time limited for making objections, or, after objection made, on the objection being disallowed or removed, <sup>Petition at issue.</sup> whichever last happens, the petition shall be at issue.

(2.) The petitions shall, as far as conveniently may be, be tried in the order in which they stand in the list.

(3.) Two or more candidates may be made respondents to the same petition, and their cases may be tried at the same time, but for the purposes of this part the petition shall be deemed to be a separate petition against each respondent.

(4.) Where more petitions than one are presented relating to the same election, or to elections held at the same time for different wards of the same borough, they shall be bracketed together in the list as one petition, but shall, unless the High Court otherwise directs, stand in the list in the place where the last of them would have stood if it had been the only petition relating to that election.

92.—(1.) An election petition shall be tried by an election court <sup>Constitution</sup> consisting of a barrister qualified and appointed as in this section <sup>of election</sup> provided, without a jury. <sup>court.</sup>

(4.) As soon as may be after a municipal election list is made out the prescribed officer shall send a copy thereof to each of the Judges for the time being on the rota for the trial of parliamentary election petitions. . . . [Part omitted (as to appointment of Commissioners under this part of this Act) rep. by the *Municipal Elections (Corrupt Practices) Act 1884*, s. 38. See *ibid.* s. 36.]

trial of  
election  
petition.

**93.**—(1.) An election petition shall be tried in open court, and notice of the time and place of trial shall be given in the prescribed manner not less than seven days before the day of trial.

(2.) The place of trial shall be within the borough, except that the High Court may, on being satisfied that special circumstances exist rendering it desirable that the petition should be tried elsewhere, appoint some other convenient place for the trial.

(3.) The election court may in its discretion adjourn the trial from time to time, and from any one place to any other place within the borough or place where it is held.

(4.) At the conclusion of the trial the election court shall determine whether the person whose election is complained of, or any and what other person, was duly elected, or whether the election was void, and shall forthwith certify in writing the determination to the High Court, and the determination so certified shall be final to all intents as to the matters at issue on the petition.

(5.) Where a charge is made in a petition of any corrupt practice or offence against this part having been committed at the election the court shall, in addition to the certificate, and at the same time, report in writing to the High Court as follows:

(b.) The names of all persons (if any) proved at the trial to have been guilty of any corrupt practice or offence against this part;

(c.) Whether any corrupt practices have, or whether there is reason to believe that any corrupt practices have, extensively prevailed at the election in the borough or in any ward thereof.

(6.) The election court may at the same time make a special report to the High Court as to any matters arising in the course of the trial, an account of which ought, in the judgment of the election court, to be submitted to the High Court.

(7.) If, on the application of any party to a petition made in the prescribed manner to the High Court, it appears to the High Court that the case raised by the petition can be conveniently stated as a special case, the High Court may direct the same to be stated accordingly, and any such special case shall be heard before the High Court, and the decision of the High Court shall be final.

(8.) If it appears to the election court on the trial of a petition that any question of law as to the admissibility of evidence, or otherwise, requires further consideration by the High Court, the election court may postpone the granting of a certificate until the question has been determined by the High Court, and for this purpose may reserve any such question, as questions may be reserved by a judge on a trial at nisi prius.

(9.) On the trial of a petition, unless the election court otherwise directs, any charge of a corrupt practice or offence against this part may be gone into, and evidence in relation thereto received before any proof has been given of agency on behalf of any candidate in respect of the corrupt practice or offence.

(10.) On the trial of a petition complaining of an undue election and claiming the office for some person, the respondent may give evidence to prove that that person was not duly elected, in the same manner as if he had presented a petition against the election of that person.

(11.) The trial of a petition shall be proceeded with notwithstanding that the respondent has ceased to hold the office his election to which is questioned by the petition.

(12.) A copy of any certificate or report made to the High Court on the

trial of a petition, and, in the case of a decision by the High Court on a special case, a statement of the decision, shall be sent by the High Court to the Secretary of State.

(13.) A copy of any such certificate and a statement of any such decision shall also be certified by the High Court, under the hands of two or more judges thereof, to the town clerk\* of the borough.

**94.**—(1.) Witnesses at the trial of an election petition shall be summoned and sworn in the same manner, as nearly as circumstances admit, as witnesses at a trial at nisi prius, and shall be liable to the same penalties for perjury. Witnesses.

(2.) On the trial the election court may, by order in writing, require any person who appears to the court to have been concerned in the election to attend as a witness, and any person refusing to obey the order shall be guilty of contempt of court.

(3.) The court may examine any person so required to attend or being in court although he is not called and examined by any party to the petition.

(4.) A witness may, after his examination by the court, be cross-examined by or on behalf of the petitioner and respondent or either of them.

(5)—(8.) [*As to certain matters of procedure. Rep. by the Municipal Elections (Corrupt Practices) Act 1884, s. 38.*]

(9.) The reasonable expenses incurred by any person in appearing to give evidence at the trial of an election petition, according to the scale allowed to witnesses on the trial of civil actions at the assizes, may be allowed to him by a certificate of the election court or of the prescribed officer, and if the witness was called and examined by the court, shall be deemed part of the expenses of providing a court, but otherwise shall be deemed costs of the petition.

**95.**—(1.) A petitioner shall not withdraw an election petition without the leave of the election court or High Court on special application, made in the prescribed manner, and at the prescribed time and place. Withdrawal of petition. [*See the Municipal Elections (Corrupt and Illegal Practices) Act 1884, s. 26.*]

(2.) The application shall not be made until the prescribed notice of the intention to make it has been given in the borough.

(3.) On the hearing of the application any person who might have been a petitioner in respect of the election may apply to the court to be substituted as a petitioner, and the court may, if it thinks fit, substitute him accordingly.

(4.) If the proposed withdrawal is in the opinion of the court induced by any corrupt bargain or consideration, the court may by order direct that the security given on behalf of the original petitioner shall remain as security for any costs that may be incurred by the substituted petitioner, and that to the extent of the sum named in the security, the original petitioner and his sureties shall be liable to pay the costs of the substituted petitioner. [*See note on sub-s. (1).*]

(5.) If the court does not so direct, then security to the same amount as would be required in the case of a new petition, and subject to the like conditions, shall be given on behalf of the substituted petitioner before he proceeds with his petition and within the prescribed time after the order of substitution.

(6.) Subject as aforesaid, a substituted petitioner shall, as nearly as may be, stand in the same position and be subject to the same liabilities as the original petitioner.

(7.) If a petition is withdrawn, the petitioner shall be liable to pay the costs of the respondent.

(8.) Where there are more petitioners than one, an application to withdraw a petition shall not be made except with the consent of all the petitioners.

**96.**—(1.) An election petition shall be abated by the death of a sole petitioner or of the survivor of several petitioners. Abatement of petition.

\* See note ‡ on s. 88.

(2.) The abatement of a petition shall not affect the liability of the petitioner or of any other person to the payment of costs previously incurred.

(3.) On the abatement of the petition the prescribed notice thereof shall be given in the borough, and, within the prescribed time after the notice is given, any person who might have been a petitioner in respect of the election may apply to the election court or High Court in the prescribed manner and at the prescribed time and place to be substituted as a petitioner; and the court may, if it thinks fit, substitute him accordingly.

(4.) Security shall be given on behalf of a petitioner so substituted, as in the case of a new petition.

(a.) Dies, resigns, or otherwise ceases to hold the office to which the petition relates; or

(b.) Gives the prescribed notice that he does not intend to oppose the petition;

the prescribed notice thereof shall be given in the borough, and within the prescribed time after the notice is given any person who might have been a petitioner in respect of the election may apply to the election court or High Court to be admitted as a respondent to oppose the petition, and shall be admitted accordingly, except that the number of persons so admitted shall not exceed three.

(2.) A respondent who has given the prescribed notice that he does not intend to oppose the petition shall not be allowed to appear or act as a party against the petition in any proceedings thereon.

(4.) The High Court shall, subject to this Act, have the same powers, jurisdiction, and authority with respect to a municipal election petition and the proceedings thereon as if the petition were an ordinary action within its jurisdiction.

(5.) The duties to be performed by the prescribed officer under this part shall be performed by the prescribed officer of the High Court.

(6.) The general rules in force at the commencement of this Act with respect to matters within this part shall, until superseded by rules made under this section, and subject to any amendment thereof by rules so made, have effect, with the necessary modifications, as if made under this section.

**101.**—(1.) (b.) When in the opinion of the election court a respondent has been personally guilty of corrupt practices at the election, by that respondent.

(3.) An order so made for the repayment of any sum by a petitioner or respondent may be enforced as an order for payment of costs; but a deposit made or security given under this part shall not be applied for any such repayment until all costs and expenses payable by the petitioner or respondent to any party to the petition have been satisfied.

(8.) Any two or more burgesses may bring and prosecute any action in the name of the corporation against any officer, trustee, or person making any illegal payment or application as aforesaid, as if they, their executors and administrators, were jointly and severally appointed the irrevocable attorneys of the corporation for that purpose; but the plaintiffs shall, on the application of the defendant, give reasonable security, as the court directs, for costs, as between solicitor and client.

### GRANT OF CHARTERS.

**211.**—(1.) Every petition for a charter under this Act shall be referred to a Committee of the Lords of Her Majesty's Privy Council (in this part called the Committee of Council).

**213.**—(1.) Where a petition for a charter is referred to the Committee of Council, and it is proposed by the charter to extend the Municipal Corporation Acts to the municipal borough to be created by the charter, the Committee of Council may settle a scheme for the adjustment of the powers, rights, privileges, franchises, duties, property, and liabilities of any then existing local authority whose district comprises the whole or part of the area of that borough, either with or without any adjoining or other place, and also of any officer of that authority.

Scheme or continuance or abolition of and adjustment of rights of existing local authority and officers.

(2.) The scheme, so far as it appears to the Committee of Council to be necessary or proper for carrying into effect the said adjustment as regards any local authority existing at the time of the making of the scheme, may contain provisions for the continuance of that authority, or for the abolition total or partial of that authority, or for the creation of another authority or authorities, and the alteration of the district of the existing local authority, and the union or other relation of the existing local authority and the authority or authorities so created, and for the continuance, modification, transfer, vesting, and extension to the whole of the borough of all or any of the powers, rights, privileges, franchises, duties, property, and liabilities of the existing local authority, and may contain such provisions as appear to the Committee of Council to be necessary or proper for fully carrying into effect any such adjustment and provisions as aforesaid.

(3.) The scheme, when settled by the Committee of Council, shall be

published in the London Gazette, and shall not be of any effect unless confirmed as herein-after mentioned.

(4.) Where, within one month after the publication of the scheme in the London Gazette, a petition against it by any local authority affected thereby, or by not less than one twentieth of the owners and ratepayers of the borough (such twentieth to be one twentieth in number of the owners and ratepayers of the borough taken together, or the owners and ratepayers in respect of one twentieth of the rateable property in the borough and the owners and ratepayers in all cases to include women not under coverture) has been received by the Committee of Council, and is not withdrawn, the scheme shall require the confirmation of Parliament, and the Committee of Council may, if they think fit, submit it to Parliament for confirmation; but otherwise, at any time after the expiration of the said month, or after the withdrawal of any petition that has been presented, the Committee of Council may, if they think fit, submit the scheme for confirmation, either to Parliament or to Her Majesty in Council, and in the latter case it shall be lawful for Her Majesty to confirm the scheme by Order in Council.

(5.) A scheme, when confirmed by Parliament or by Order in Council, shall have full operation, with, in the former case, such modifications, if any, as are made therein by Parliament, as if the scheme were part of this Act.

(6.) A local authority for the purposes of this part means a sanitary authority, (not being the mayor, aldermen, and burgesses of a borough subject to the Municipal Corporations Acts,) also the corporation of a borough not subject to the Municipal Corporations Acts, a burial board, trustees, commissioners or other persons who, as a public body and not for their own profit, act under any Act for paving, lighting, supplying with water or gas, cleansing, watching, regulating or improving any town or place, or for providing or maintaining a cemetery or market in or for any town or place, and any commissioners, trustees, or other persons (not being Justices) maintaining any police force, and any other authority not in this section excepted, . . . and having powers of local government and of rating for public purposes. (2.) A scheme shall in every case provide for placing the new borough within the jurisdiction of the council as the sanitary authority.

(3.) The regulations contained in the Seventh Schedule with respect to the scheme shall be observed.

(4.) If the Committee of Council are satisfied that a local authority or other petitioners have properly promoted or properly opposed a scheme before them, and that for special reasons it is right that the reasonable costs incurred by the authority or other petitioners in such promotion or opposition should be paid as expenses properly incurred by the local authority in the execution of their duties, the Committee of Council may order those costs to be so paid, and they shall be paid accordingly.

[*See 62 & 63 Vict. c. 14, s. 16 (3).*]

Power to  
amend

Where a scheme for a borough has been confirmed under this part, or any former enactment, and the municipal corporation of the borough or one twentieth of the owners and ratepayers of the borough (estimated as in this part mentioned), or a local authority affected by the scheme, petition the Queen for an amending scheme, the petition shall

be referred to a Committee of the Lords of Her Majesty's Privy Council (included in the term the Committee of Council in this part), and shall be proceeded on, and this part shall apply thereto, as nearly as may be, as if the same were a petition for a charter extending the Municipal Corporations Acts to a municipal borough to be incorporated.

(2.) The Committee of Council, if they think fit to submit the amending scheme for confirmation, shall submit the same to Parliament, or they may submit the same to Her Majesty in Council, if the original scheme was confirmed by Order in Council; and in the latter case it shall be lawful for Her Majesty to confirm the amending scheme by Order in Council.

(3.) An amending scheme, when confirmed by Parliament, or by Order in Council, as the case may require, shall have full operation, with, in the former case, such modifications, if any, as are made therein by Parliament, as if the amending scheme were part of this Act.

3. This part of this Act shall not apply to rural sanitary districts.

*Scheme by Local Authority.*

Local  
authority on  
being satis-  
fied by official  
representa-  
tion of the  
unhealthiness  
of district to  
make scheme  
for its im-  
provement.

4. Where an official representation as herein-after mentioned \* is made to the local authority that within a certain area in the district of such authority either—

- (a.) any houses, courts, or alleys are unfit for human habitation, or
- (b.) the narrowness, closeness, and bad arrangement, or the bad condition of the streets and houses or groups of houses within such area, or the want of light, air, ventilation, or proper conveniences, or any other sanitary defects, or one or more of such causes, are dangerous or injurious to the health of the inhabitants either of the buildings in the said area or of the neighbouring buildings;

and that the evils connected with such houses, courts, or alleys, and the sanitary defects in such area cannot be effectually remedied otherwise than by an improvement scheme for the rearrangement and reconstruction of the streets and houses within such area, or of some of such streets or houses, the local authority shall take such representation into their consideration, and if satisfied of the truth thereof, and of the sufficiency of their resources, shall pass a resolution to the effect that such area is an unhealthy area, and that an improvement scheme ought to be made in respect of such area, and after passing such resolution they shall forthwith proceed to make a scheme for the improvement of such area.

Provided always, that any number of such areas may be included in one improvement scheme.

Official re-  
presentation,  
by whom to  
be made.

5.—(1.) An official representation for the purposes of this part of this Act shall mean a representation made to the local authority by the medical officer of health of that authority, and in London made either by such officer or by any medical officer of health in London.

(2.) A medical officer of health shall make such representation whenever he sees cause to make the same; and if two or more Justices of the Peace acting within the district for which he acts as medical officer of health, or twelve or more persons liable to be rated to the local rate complain to him of the unhealthiness of any area within such district, it shall be the duty of the medical officer of health forthwith to inspect such area, and to make an official representation stating the facts of the case, and whether in his opinion the said area or any part thereof is an unhealthy area or is not an unhealthy area.

Requisites of  
improvement  
scheme of  
local  
authority.

6.—(1.) The improvement scheme of a local authority shall be accompanied by maps, particulars, and estimates, and

- (a.) may exclude any part of the area in respect of which an official representation is made, or include any neighbouring lands, if the local authority are of opinion that such exclusion is expedient or inclusion is necessary for making their scheme efficient for sanitary purposes; and
- (b.) may provide for widening any existing approaches to the unhealthy area or otherwise for opening out the same for the purposes of ventilation or health; and
- (c.) shall provide such dwelling accommodation, if any, for the working classes displaced by the scheme as is required to comply with this Act [*see 3 Edw. 7, c. 39, s. 11*]; and
- (d.) shall provide for proper sanitary arrangements.

\* See ss. 72, 73 and 79 (2).

(2.) The scheme shall distinguish the lands proposed to be taken compulsorily.

(3.) The scheme may also provide for the scheme or any part thereof being carried out and effected by the person entitled to the first estate of freehold in any property comprised in the scheme or with the concurrence of such person, under the superintendence and control of the local authority, and upon such terms and conditions to be embodied in the scheme as may be agreed upon between the local authority and such person.

### *Confirmation of Scheme.*

7. Upon the completion of an improvement scheme the local authority shall— Publication of notices.

(a.) publish, during three consecutive weeks *in the month of September, or October, or November,\** in some one and the same newspaper circulating within the district of the local authority, an advertisement stating the fact of a scheme having been made, the limits of the area comprised therein, and naming a place within such area or in the vicinity thereof where a copy of the scheme may be seen at all reasonable hours; and

(b.) *during the month next following the month in which such advertisement is published\** serve a notice on every owner or reputed owner, lessee or reputed lessee, and occupier of any lands proposed to be taken compulsorily, so far as such persons can reasonably be ascertained, stating that such lands are proposed to be taken compulsorily for the purpose of an improvement scheme, and in the case of any owner or reputed owner, lessee or reputed lessee, requiring an answer stating whether the person so served dissents or not in respect of taking such lands; Service of notices.

(c.) Such notice shall be served—

(i.) by delivery of the same personally to the person required to be served, or if such person is absent abroad, or cannot be found, to his agent, or if no agent can be found, then by leaving the same on the premises; or,

(ii.) by leaving the same at the usual or last known place of abode of such person as aforesaid; or,

(iii.) by post addressed to the usual or last known place of abode of such person. [*See 52 & 53 Vict. c. 63, s. 26.*]

(d.) One notice addressed to the occupier or occupiers without naming him or them, and left at any house, shall be deemed to be a notice served on the occupier or on all the occupiers of any such house.

8.—(1.) Upon compliance with the foregoing provisions with respect to the publication of an advertisement and the service of notices, the local authority shall present a petition, if it relates to any part of the county or city of London, to a Secretary of State,† and if it relates to any other place, to the Local Government Board, praying that an Order may be made confirming such scheme. Making and confirmation of Provisional Order.

(2.) The petition shall be accompanied by a copy of the scheme, and shall state the names of the owners or reputed owners, lessees or reputed lessees, who have dissented in respect of the taking their lands, and shall be supported by such evidence as the Secretary of State † or Local Government Board, according to the circumstances of the case (in this part of

\* See 3 Edw. 7, c. 39, s. 5 (1).

† By an Order in Council of 27th February 1905, made under 3 Edw. 7, c. 39, s. 2 (*q.v. infra*), all the powers and duties of the Secretary of State under the Housing Acts or under any Scheme made in pursuance of those Acts, and the powers of the Secretary of State under any local Act, so far as they relate to the housing of the working classes, were as from the 1st day of March 1905 assigned to, and became powers and duties of, the Local Government Board.

this Act referred to as the confirming authority), may from time to time require.

(3.) If, on consideration of the petition and on proof of the publication of the proper advertisements and the service of the proper notices, the confirming authority think fit to proceed with the case, they shall direct a local inquiry to be held in, or in the vicinity of, the area comprised in the scheme, for the purpose of ascertaining the correctness of the official representation made as to the area and the sufficiency of the scheme provided for its improvement, and any local objections to be made to such scheme.

(4.) After receiving the report made upon such inquiry, the confirming authority may make a Provisional Order declaring the limits of the area comprised in the scheme and authorising such scheme to be carried into execution. [*See 3 Edw. 7, c. 39, ss. 5 (2) and 6.*]

(5.) Such Provisional Order may be made either absolutely or with such conditions and modifications of the scheme as the confirming authority may think fit, so that no addition be made to the lands proposed in the scheme to be taken compulsorily, and it shall be the duty of the local authority to serve a copy of any Provisional Order so made in the manner and upon the persons in which and upon whom notices in respect of lands proposed to be taken compulsorily are required by this part of this Act to be served, except tenants for a month or a less period than a month.

(6.) A Provisional Order made in pursuance of this section shall not be of any validity unless and until it has been confirmed by Act of Parliament; and it shall be lawful for the confirming authority, as soon as conveniently may be, to obtain such confirmation, and any Act confirming any Provisional Order made in pursuance of this part of this Act, with such modifications as may seem fit to Parliament, shall be a public General Act of Parliament, and is in this part of this Act referred to as the confirming Act. [*Amended 3 Edw. 7, c. 39, s. 5 (2) and (3).*]

(7.) The confirming authority may make such order as they think fit in favour of any person whose lands were proposed by the scheme to be taken compulsorily for the allowance of the reasonable costs, charges, and expenses properly incurred by him in opposing such scheme.

(8.) All costs, charges, and expenses incurred by the confirming authority in relation to any Provisional Order under this part of this Act shall, to such amount as the confirming authority think proper to direct, and all costs, charges, and expenses of any person to such amount as may be allowed to him by the confirming authority in pursuance of the aforesaid power, shall be deemed to be an expense incurred by the local authority under this part of this Act, and shall be paid to the confirming authority and to such person respectively, in such manner and at such times and either in one sum or by instalments as the confirming authority may order, with power for the confirming authority to direct interest to be paid at such rate not exceeding five pounds in the hundred by the year as the confirming authority may determine, upon any sum for the time being due in respect of such costs, charges, and expenses as aforesaid.

(9.) Any order made by the confirming authority in pursuance of this section may be made a rule of a superior court, and be enforced accordingly.

[*See 3 Edw. 7, c. 39, s. 5 (3).*]

9.—(1.) Where any Bill for confirming a Provisional Order authorising an improvement scheme is referred to a Committee of either House of Parliament upon the petition of any person opposing such Bill, the Committee shall take into consideration the circumstances under which such opposition is made to the Bill, and whether such opposition was or was not justified by such circumstances, and shall award costs accordingly to be paid by the promoters or the opponents of the Bill as the Committee may think just.

(2.) Any costs under this section may be taxed and recovered in the

Costs to be  
awarded in  
certain cases.

manner in which costs may be taxed and recovered under the Act of the session of the twenty-eighth and twenty-ninth years of the reign of Her present Majesty, chapter twenty-seven.

(3.) The decision of the majority of the members of the Committee for the time being present and voting on any question under this section shall be deemed to be the decision of the Committee.

10. Where an official representation is made to the local authority with a view to their passing a resolution in favour of an improvement scheme, and they fail to pass any resolution in relation to such representation, or pass a resolution to the effect that they will not proceed with such scheme, the local authority shall, as soon as possible, send a copy of the official representation, accompanied by their reasons for not acting upon it, to the confirming authority, and, upon the receipt thereof, the confirming authority may direct a local inquiry to be held, and a report to be made to them with respect to the correctness of the official representation made to the local authority, and any matters connected therewith on which the confirming authority may desire to be informed. [See 3 *Edw. 7, c. 39, s. 4 (1).*]

Inquiry on refusal of local authority to make an improvement scheme.

*Provision of Dwelling Accommodation for Working Classes displaced by Scheme.*

11.—(1.) Subject as herein-after mentioned, every scheme comprising an area in the county or city of London shall provide for the accommodation of at the least as many persons of the working class as may be displaced in the area comprised therein, in suitable dwellings, which, unless there are any special reasons to the contrary, shall be situate within the limits of the same area, or in the vicinity thereof.

Requisites of improvement scheme as to accommodation of working classes.

Provided that—

- (a.) Where it is proved to the satisfaction of the confirming authority on an application to authorise a scheme that equally convenient accommodation can be provided for any persons of the working classes displaced by the scheme at some place other than within the area or the immediate vicinity of the area comprised in the scheme, and that the required accommodation has been or is about to be forthwith provided, either by the local authority or by any other person or body of persons, the confirming authority may authorise such scheme, and the requirements of this section with respect to providing accommodation for persons of the working class shall be deemed to have been complied with to the extent to which accommodation is so provided; and
- (b.) Where the local authority apply for a dispensation under this section, and the officer conducting the local inquiry directed by the confirming authority reports that it is expedient, having regard to the special circumstances of the locality and to the number of artisans and others belonging to the working class dwelling within the area, and being employed within a mile thereof, that a modification should be made, the confirming authority, without prejudice to any other powers conferred on it by this part of this Act, may in the Provisional Order authorising the scheme, dispense altogether with the obligation of the local authority to provide for the accommodation of the persons of the working class who may be displaced by the scheme to such extent as the confirming authority may think expedient, having regard to such special circumstances as aforesaid, but not exceeding one half of the persons so displaced.

(2.) Where a scheme comprises an area situate elsewhere than in the county or city of London, it shall, if the confirming authority so require (but it shall not otherwise be obligatory on the local authority so to frame

their scheme), provide for the accommodation of such number of those persons of the working classes displaced in the area with respect to which the scheme is proposed in suitable dwellings to be erected in such place or places either within or without the limits of the same area as the said authority on a report made by the officer conducting the local inquiry may require.

*Execution of Scheme by Local Authority.*

Duty of local authority to carry scheme when confirmed, into execution.

**12.**—(1.) When the confirming Act authorising any improvement scheme of a local authority under this part of this Act has been passed by Parliament, it shall be the duty of that authority to take steps for purchasing the lands required for the scheme, and otherwise for carrying the scheme into execution as soon as practicable.

(2.) They may sell or let all or any part of the area comprised in the scheme to any purchasers or lessees for the purpose and under the condition that such purchasers or lessees will, as respects the land so purchased by or leased to them, carry the scheme into execution; and in particular they may insert in any grant or lease of any part of the area provisions binding the grantee or lessee to build thereon as in the grant or lease prescribed, and to maintain and repair the buildings, and prohibiting the division of buildings, and any addition to or alteration of the character of buildings without the consent of the local authority, and for the re-vesting of the land in the local authority, or their re-entry thereon, on breach of any provision in the grant or lease.

(3.) The local authority may also engage with any body of trustees, society, or person, to carry the whole or any part of such scheme into effect upon such terms as the local authority may think expedient, but the local authority shall not themselves, without the express approval of the confirming authority, undertake the rebuilding of the houses or the execution of any part of the scheme, except that they may take down any or all of the buildings upon the area, and clear the whole or any part thereof, and may lay out, form, pave, sewer, and complete all such streets upon the land purchased by them as they may think fit, and all streets so laid out and completed shall henceforth be public streets, repairable by the same authority as other streets in the district.

(4.) Provided that in any grant or lease of any part of the area which may be appropriated by the scheme for the erection of dwellings for the working classes the local authority shall impose suitable conditions and restrictions as to the elevation, size, and design of the houses, and the extent of the accommodation to be afforded thereby, and shall make due provision for the maintenance of proper sanitary arrangements.

(5.) If the local authority erect any dwellings out of funds to be provided under this part of this Act, they shall, unless the confirming authority otherwise determine, sell and dispose of all such dwellings within ten years from the time of the completion thereof.

(6.) The local authority may, where they think it expedient so to do, without themselves acquiring the land, or after or subject to their acquiring any part thereof, contract with the person entitled to the first estate of freehold in any land comprised in an improvement scheme for the carrying of the scheme into effect by him in respect of such land.

Completion of scheme on failure by local authority.

**13.** If within five years after the removal of any buildings on the land set aside by any scheme authorised by a confirming Act as sites for working men's dwellings, the local authority have failed to sell or let such land for the purposes prescribed by the scheme, or have failed to make arrangements for the erection of the said dwellings, the confirming authority may order the said land to be sold by public auction or public tender, with full power to fix a reserve price, subject to the conditions imposed by the scheme, and to any modifications thereof which may be made in pursuance of this part of this Act, and to a special condition on the part of the purchaser to erect upon the said land dwellings for the working classes,

in accordance with plans to be approved by the local authority, and subject to such other reservations and regulations as the confirming authority may deem necessary.

14. The local authority shall, not less than thirteen weeks before taking any fifteen houses or more, make known their intention to take the same by placards, handbills, or other general notices placed in public view upon or within a reasonable distance of such houses, and the local authority shall not take any such houses until they have obtained a certificate of a Justice of the Peace that it has been proved to his satisfaction that the local authority have made known, in manner required by this section, their intention to take such houses.

Notice to occupiers by placards.

15.—(1.) The confirming authority, on application from the local authority, and on its being proved to their satisfaction that an improvement can be made in the details of any scheme authorised by a confirming Act, may permit the local authority to modify any part of their improvement scheme which it may appear inexpedient to carry into execution, but any part of the scheme respecting the provision of dwelling accommodation for persons of the working class, when so modified, shall be such as might have been inserted in the original scheme.

Power of confirming authority to modify authorised scheme.

(2.) A statement of any modifications permitted to be made in any part of an improvement scheme in pursuance of this section shall be laid by the confirming authority before both Houses of Parliament as soon as practicable after the permission is given, if Parliament be then sitting, and if not, within one month after the next meeting of Parliament.

Provided always, that if such modification requires a larger public expenditure than that sanctioned by the former scheme, or the taking of any property otherwise than by agreement, or affects injuriously other property in a manner different to that proposed in the former scheme without the consent of the owner and occupier of any such property, the modification must be made by a Provisional Order to be confirmed by Act of Parliament in the manner provided by this part of this Act on the completion of an improvement scheme.

#### *Inquiries with respect to Unhealthy Areas.*

16.—(1.) Where in any district twelve or more ratepayers have complained to a medical officer of health of the unhealthiness of any area within that district, and the medical officer of health has failed to inspect such area, or to make an official representation with respect thereto, or has made an official representation to the effect that in his opinion the area is not an unhealthy area, such ratepayers may appeal to the confirming authority, and upon their giving security to the satisfaction of that authority for costs, the confirming authority shall appoint a legally qualified medical practitioner to inspect such area, and to make representation to the confirming authority, stating the facts of the case, and whether, in his opinion, the area or any part thereof is or is not an unhealthy area. The representation so made shall be transmitted by the confirming authority to the local authority, and if it states that the area is an unhealthy area the local authority shall proceed therein in the same manner as if it were an official representation made to that authority. [See 3 *Edw.* 7, c. 39, s. 4 (2).]

Inquiry on default of medical officer in certain cases.

(2.) The confirming authority shall make such order as to the costs of the inquiry as they think just, with power to require the whole or any part of such costs to be paid by the appellants where the medical practitioner appointed is of opinion that the area is not an unhealthy area, and to declare the whole or any part of such costs to be payable by the local authority where he is of opinion that the area or any part thereof is an unhealthy area.

(3.) Any order made by the confirming authority in pursuance of this section may be made a rule of a superior court, and be enforced accordingly.

Proceedings  
on local  
inquiry.

**17.** Where a local inquiry is directed, an officer shall be sent by the confirming authority to the area to which such inquiry relates for the purpose of making an inquiry into the correctness of the official representation made to the local authority as to such area being an unhealthy area, and into the sufficiency of the scheme provided for its improvement, and into any local objections to be made to such scheme, and to any other matter into which he is directed by this Act or the confirming authority to inquire for the purposes of this Act.

Notice of  
inquiry to  
be publicly  
given.

**18.** Before commencing such inquiry the officer appointed to conduct the same shall make public by advertisement or otherwise in such manner as he thinks best calculated to give information to the persons residing in the area his intention to make such inquiry, and a statement of a time and place at which he will be prepared to hear all persons desirous of being heard before him upon the subject of the inquiry.

Power to  
administer  
oath.

**19.** The officer conducting such inquiry shall have power to administer an oath; he shall report the result of the inquiry to the confirming authority, who shall deal with such report in such manner as they think expedient.

#### *Acquisition of Land.*

Acquisition  
of land.

**20.** The clauses of the Lands Clauses Acts, with respect to the purchase and taking of lands otherwise than by agreement, shall not, except to the extent set forth in the Second Schedule to this Act, apply to any lands taken in pursuance of this part of this Act, but save as aforesaid the said Lands Clauses Acts, as amended by the provisions contained in the said Schedule, shall regulate and apply to the purchase and taking of lands, and shall for that purpose be deemed to form part of this part of this Act in the same manner as if they were enacted in the body thereof; subject to the provisions of this part of this Act and to the provisions following; that is to say,

(i.) This part of this Act shall authorise the taking by agreement of any lands which the local authority may require for the purpose of carrying into effect the scheme authorised by any confirming Act, but it shall authorise the taking by the exercise of any compulsory powers of such lands only as are proposed by the scheme in the confirming Act to be taken compulsorily:

(ii.) In the construction of the Lands Clauses Acts, and the provisions in the Second Schedule to this Act, this part of this Act shall be deemed to be the special Act, and the local authority shall be deemed to be the promoters of the undertaking; and the period after which the powers for the compulsory purchase or taking of lands shall not be exercised shall be three years after the passing of the confirming Act.

Special pro-  
vision as to  
compensa-  
tion.

**21.—(1.)** Whenever the compensation payable in respect of any lands or of any interests in any lands proposed to be taken compulsorily in pursuance of this part of this Act requires to be assessed—

(a) the estimate of the value of such lands or interests shall be based upon the fair market value, as estimated at the time of the valuation being made of such lands, and of the several interests in such lands, due regard being had to the nature and then condition of the property, and the probable duration of the buildings in their existing state, and to the state of repair thereof, without any additional allowance in respect of the compulsory purchase of an area or of any part of an area in respect of which an official representation has been made, or of any lands included in a scheme which, in the opinion of the arbitrator, have been so included as falling under the description of property which may be constituted an unhealthy area under this part of this Act; and

(b) in such estimate any addition to or improvement of the property made after the date of the publication in pursuance of this part of this Act of an advertisement stating the fact of the improvement scheme having been made shall not (unless such addition or improvement was necessary for the maintenance of the property in a proper state of repair) be included, nor in the case of any interest acquired after the said date shall any separate estimate of the value thereof be made so as to increase the amount of compensation to be paid for the lands; and

(2.) On the occasion of assessing the compensation payable under any improvement scheme in respect of any house or premises situate within an unhealthy area evidence shall be receivable by the arbitrator to prove—

(1st) that the rental of the house or premises was enhanced by reason of the same being used for illegal purposes or being so overcrowded as to be dangerous or injurious to the health of the inmates; or

(2ndly) that the house or premises are in such a condition as to be a nuisance within the meaning of the Acts relating to nuisances, or are in a state of defective sanitation, or are not in reasonably good repair; or

(3rdly) that the house or premises are unfit, and not reasonably capable of being made fit, for human habitation;

and, if the arbitrator is satisfied by such evidence, then the compensation—

(a) shall in the first case so far as it is based on rental be based on the rental which would have been obtainable if the house or premises were occupied for legal purposes and only by the number of persons whom the house or premises were under all the circumstances of the case fitted to accommodate without such overcrowding as is dangerous or injurious to the health of the inmates; and

(b) shall in the second case be the amount estimated as the value of the house or premises if the nuisance had been abated, or if they had been put into a sanitary condition, or into reasonably good repair, after deducting the estimated expense of abating the nuisance, or putting them into such condition or repair, as the case may be; and

(c) shall in the third case be the value of the land, and of the materials of the buildings thereon.

**22.** Upon the purchase by the local authority of any lands required for the purpose of carrying into effect any scheme, all rights of way, rights of laying down or of continuing any pipes, sewers, or drains on, through, or under such lands, or part thereof, and all other rights or easements in or relating to such lands, or any part thereof, shall be extinguished, and all the soil of such ways, and the property in the pipes, sewers, or drains, shall vest in the local authority, subject to this provision, that compensation shall be paid by the local authority to any persons or bodies of persons proved to have sustained loss by this section, and such compensation shall be determined in the manner in which compensation for land is determinable under this part of this Act, or as near thereto as circumstances admit.

Extinction of rights of way and other easements.

**23.** A local authority may, for the purpose of providing accommodation for persons of the working classes displaced by any improvement scheme, appropriate any lands for the time being belonging to them which are suitable for the purpose, or may purchase by agreement any such further lands as may be convenient. [See 3 *Edw. 7, c. 39, s. 11.*]

Application of lands for accommodation of working classes.

#### *Expenses.*

**24.—(1.)** The receipts of a local authority under this part of this Act shall form a fund (in this Act referred to as “the Dwelling-house Improvement Fund”), and their expenditure shall be defrayed out of such fund.

Formation of improvement fund for purposes of Act.

(2.) The moneys required in the first instance to establish such fund, and any deficiency for the purposes of this part of this Act from time to time appearing in such fund by reason of the excess of expenditure over receipts, shall be supplied out of the local rates or out of moneys borrowed in pursuance of this Act.

(3.) In settling any accounts of the local authority in respect of any transactions under this part of this Act, care shall be taken that as far as may be practicable all expenditure shall ultimately be defrayed out of the property dealt with under this part of this Act; and any balances of profit made by the local authority under this part of this Act shall be applicable to any purposes to which the local rate is for the time being applicable.

(4.) Any limit imposed on or in respect of local rates by any other Act of Parliament shall not apply to any rate required to be levied for the purpose of defraying any expenses under this part of this Act.

(5.) The local authority may carry to the account of the Dwelling-house Improvement Fund any such money or produce of any property, as is legally applicable to purposes similar to the purposes of this part of this Act; and in case of doubt as to whether, in any particular case, the purposes are so similar the confirming authority may decide such doubt, and such decision shall be conclusive.

Power of borrowing money for the purposes of Part I. of Act.

**25.**—(1.) A local authority may, in manner in this section mentioned, borrow such money as is required for the purposes of this part of this Act on the security of the local rate.

(2.) For the purpose of such borrowing, the London County Council may, with the assent of the Treasury, create consolidated stock under the Metropolitan Board of Works Loans Acts, 1869 to 1871, but all moneys required for the payment of the dividends on and the redemption of the consolidated stock created for the purposes of this part of this Act shall be charged to the special county account to which the expenditure for the purposes of this part of this Act is chargeable.

(3.) For the purpose of such borrowing, the Commissioners of Sewers for the City of London\* may borrow and take up at interest such money on the credit of the local rates, or any of them, as they may require for the purposes of this part of this Act, and may mortgage any such rate or rates to the persons by or on behalf of whom such money is advanced for securing the repayment to them of the sums borrowed, with interest thereon, and for the purposes of any mortgages so made by the Commissioners of Sewers,\* the clauses of the Commissioners Clauses Act, 1847, with respect to the mortgages to be executed by the Commissioners shall be incorporated with this part of this Act; and in the construction of that Act “the special Act” shall mean this part of this Act; “the Commissioners” shall mean the Commissioners of Sewers; “the clerk of the Commissioners” shall include any officer appointed for the purpose by the Commissioners of Sewers\* by this part of this Act; and the mortgagees or assignees of any mortgage made as last aforesaid may enforce payment of the arrears of principal and interest due to them by the appointment of a receiver.

10 & 11 Vict. c. 16.

(4.) For the purpose of such borrowing, the urban sanitary authority shall have the same power of borrowing as they have under the Public Health Acts for the purpose of defraying any expenses incurred by them in the execution of those Acts.

(5.) The Public Works Loan Commissioners may, on the recommendation of the confirming authority, lend to any local authority any money required by them for purposes of this part of this Act, on the security of the local rate. Such loan shall be repaid within such period, not exceeding fifty years, as may be recommended by the confirming authority. [See 3 *Edw.* 7, c. 39, s. 1.]

\* Now the Mayor and commonalty and citizens of the city of London. See the City of London Sewers Act 1897, s. 5.

*General Provisions.*

**26.** In case of the illness or unavoidable absence of a medical officer of health, the authority, board, or vestry who appointed him may (subject to the approval of the confirming authority) appoint a duly qualified medical practitioner, for the period of six months, or any less period to be named in the appointment. Provision in case of absence of medical officer of health.

authority the said complaint, together with his opinion thereon, and if he is of opinion that the dwelling-house is in the condition aforesaid, shall represent the same to the local authority, but the absence of any such complaint shall not excuse him from inspecting any dwelling-house and making a representation thereon to the local authority.

(2.) [*As to proceedings in the event of a local authority not within the county of London declining to act.*]

#### *Closing Order and Demolition.*

Duty of local authority as to closing of dwelling-house unfit for human habitation.

**32.**—(1.) It shall be the duty of every local authority to cause to be made from time to time inspection of their district, with a view to ascertain whether any dwelling-house therein is in a state so dangerous or injurious to health as to be unfit for human habitation, and, if on the representation of the medical officer, or of any officer of such authority, or information given, any dwelling-house appears to them to be in such state, to forthwith take proceedings against the owner or occupier for closing the dwelling-house under the enactments set out in the Third Schedule to this Act. [*See s. 73, and 3 Edw. 7, c. 39, s. 8 (1).*]

(2.) Any such proceedings may be taken for the express purpose of causing the dwelling-house to be closed whether the same be occupied or not, and upon such proceedings the court of summary jurisdiction may impose a penalty not exceeding twenty pounds, and make a closing order, and the forms for the purposes of this section may be those in the Fourth Schedule to this Act, or to the like effect, and the enactments respecting an appeal from a closing order shall apply to the imposition of such penalty as well as to a closing order. [*See 3 Edw. 7, c. 39, s. 8 (2).*]

[*See 3 Edw. 7, c. 39, s. 10.*]

**33.**—(1.) Where a closing order has been made in respect of any dwelling-house, and not been determined by a subsequent order, then the local authority, if of opinion that the dwelling-house has not been rendered fit for human habitation, and that the necessary steps are not being taken with all due diligence to render it so fit, and that the continuance of any building being or being part of the dwelling-house is dangerous or injurious to the health of the public or of the inhabitants of the neighbouring dwelling-houses, shall pass a resolution that it is expedient to order the demolition of the building. [*See s. 73.*]

(2.) The local authority shall cause notice of such resolution to be served on the owner of the dwelling-house, and such notice shall specify the time and place appointed by the local authority for the further consideration of the resolution, not being less than one month after the service of the notice, and any owner of the dwelling-house shall be at liberty to attend and state his objections to the demolition.

(3.) If upon the consideration of the resolution and the objections the local authority decide that it is expedient so to do, then, unless an owner undertakes to execute forthwith the works necessary to render the dwelling-house fit for human habitation, the local authority shall order the demolition of the building.

(4.) If an owner undertakes as aforesaid to execute the said works, the local authority may order the execution of the works, within such reasonable time as is specified in the order, and if the works are not completed within that time or any extended time allowed by the local authority or a court of summary jurisdiction, the local authority shall order the demolition of the building.

**34.—**(1.) Where an order for the demolition of a building has been made, the owner thereof shall within three months after service of the order proceed to take down and remove the building, and if the owner fails therein the local authority shall proceed to take down and remove the building and shall sell the materials, and after deducting the expenses incident to such taking down and removal, pay over the balance of money (if any) to the owner. *[See 3 Edw. 7, c. 39, s. 9.]* Execution of an order for demolition, and provision as to site.

(2.) Where a building has been so taken down and removed, no house or other building or erection which will be dangerous or injurious to health shall be erected on all or any part of the site of such building; and if any house, building, or erection is erected contrary to the provisions of this section, the local authority may at any time order the owner thereof to abate the same, and in the event of non-compliance with the order, may at the expense of the owner abate or alter the same.

**35.—**(1.) Any person aggrieved by an order of the local authority under this part of this Act, may appeal against the same to a court of quarter sessions, and no work shall be done nor proceedings taken under any order until after the appeal is determined or ceases to be prosecuted; and section thirty-one of the Summary Jurisdiction Act, 1879, respecting appeals from courts of summary jurisdiction to courts of quarter sessions shall apply with the necessary modifications as if the order of the local authority were an order of a court of summary jurisdiction. Appeal against order of local authority. 42 & 43 Vict. c. 49.

(2.) Provided that—

(a.) Notice of appeal may be given within one month after notice of the order of the local authority has been served on such person;

(b.) The court shall, at the request of either party, state the facts specially for the determination of a superior court, in which case the proceedings may be removed into that court.

**36.—**(1.) Where any owner has completed in respect of any dwelling-house any works required to be executed by an order of a local authority under this part of this Act, he may apply to the local authority for a charging order, and shall produce to the local authority the certificate of their surveyor or engineer that the works have been executed to his satisfaction, and also the accounts of and vouchers for the costs, charges, and expenses of the works, and the local authority, when satisfied that the owner has duly executed such works and of the amount of such costs, charges, and expenses, and of the costs of obtaining the charging order which have been properly incurred, shall make an order accordingly, charging on the dwelling-house an annuity to repay the amount. Grant of charges by way of annuity to owner on completion of works.

(2.) The annuity charged shall be a sum of six pounds for every one hundred pounds of the said amount and so in proportion for any less sum, and shall commence from the date of the order, and be payable for a term of thirty years to the owner named in such order, his executors, administrators, or assigns.

(3.) Every such annuity may be recovered by the person for the time being entitled to it by the same means and in the like manner in all respects as if it were a rentcharge granted by deed out of the dwelling-house by the owner thereof.

(4.) Charging orders made under this section shall be made according to the Form marked A. in the Fifth Schedule to this Act, or as near thereto as the circumstances of the case will admit.

**37.—**(1.) Every charge created by a charging order under this part of this Act shall be a charge on the dwelling-house specified in the order, Incidence of charge.

having priority over all existing and future estates, interests, and incumbrances, with the exception of quitrents and other charges incident to tenure, tithe commutation rentcharge, and any charge created under any Act authorising advances of public money; and where more charges than one are charged under this part of this Act on any dwelling-house such charges shall, as between themselves, take order according to their respective dates.

(2.) A charging order shall be conclusive evidence that all notices, acts, and proceedings by this part of this Act directed with reference to or consequent on the obtaining of such order, or the making of such charge, have been duly served, done, and taken, and that such charge has been duly created, and that it is a valid charge on the dwelling-house declared to be subject thereto.

(3.) Every such charging order, if it relates to a dwelling-house in the area to which the enactments relating to the registration of land in Middlesex apply or to a dwelling-house in Yorkshire, shall be registered in like manner as if the charge were made by deed by the absolute owner of the dwelling-house.

(4.) Copies of the charging order and of the certificate of the surveyor or engineer, and of the accounts as passed by the local authority, certified to be true copies by the clerk of the local authority, shall within six months after the date of the order be deposited with the clerk of the peace of the county in which the dwelling-house is situate, and be by him filed and recorded.

(5.) The benefit of any such charge may be from time to time transferred in like manner as a mortgage or rentcharge may be transferred. Any transfer may be in the Form marked B. in the Fifth Schedule to this Act, or in any other convenient form.

#### *Obstructive Buildings.*

Power to local authority to purchase houses for opening alleys, etc.

**38.**—(1.) If a medical officer of health finds that any building within his district, although not in itself unfit for human habitation, is so situate that by reason of its proximity to or contact with any other buildings it causes one of the following effects, that is to say,—

(a.) It stops ventilation, or otherwise makes or conduces to make such other buildings to be in a condition unfit for human habitation or dangerous or injurious to health; or

(b.) It prevents proper measures from being carried into effect for remedying any nuisance injurious to health or other evils complained of in respect of such other buildings;

in any such case, the medical officer of health shall represent to the local authority the particulars relating to such first-mentioned building (in this Act referred to as “an obstructive building”) stating that in his opinion it is expedient that the obstructive building should be pulled down.

(2.) Any four or more inhabitant householders of a district may make to the local authority of the district a representation as respects any building to the like effect as that of the medical officer under this section.

(3.) The local authority on receiving any such representation as above in this section mentioned shall cause a report to be made to them respecting the circumstances of the building and the cost of pulling down the building and acquiring the land, and on receiving such report shall take into consideration the representation and report, and if they decide to proceed, shall cause a copy of both the representation and report to be given to the owner of the lands on which the obstructive building stands, with notice of the time and place appointed by the local authority for the consideration thereof; and such owner shall be at liberty to attend and state his objections, and after hearing such objections the local authority shall make an order either allowing the objection or directing that such obstructive building shall be pulled down, and such order shall be subject

to appeal in like manner as an order of demolition of the local authority under the foregoing provisions of this part of this Act.

(4.) Where an order of the local authority for pulling down an obstructive building is made under this section and either no appeal is made against the order, or an appeal is made and either fails or is abandoned, the local authority shall be authorised to purchase the lands on which the obstructive building is erected in like manner as if they had been authorised by a special Act to purchase the same ; and for the purpose of such purchase the provisions of the Lands Clauses Acts, with respect to the purchase and taking of lands otherwise than by agreement shall be deemed to be incorporated in this part of this Act (subject nevertheless to the provisions of this part of this Act), and for the purpose of the provisions of the Lands Clauses Acts this part of this Act shall be deemed to be the special Act, and the local authority to be the promoters of the undertaking, and such lands may be purchased at any time within one year after the date of the order, or if it was appealed against after the date of the confirmation.

(5.) The owner of the lands may within one month after notice to purchase the same is served upon him declare that he desires to retain the site of the obstructive building and undertake either to pull down or to permit the local authority to pull down the obstructive building, and in such case the owner shall retain the site and shall receive compensation from the local authority for the pulling down of the obstructive building.

(6.) The amount of such compensation, and also the amount of any compensation to be paid on the purchase of any lands under this section, shall in case of difference be settled by arbitration in manner provided in this part of this Act.

(7.) Where the local authority is empowered to purchase land compulsorily, it shall not be competent for the owner of a house or manufactory to insist on his entire holding being taken, where part only is proposed to be taken as obstructive, and where such part proposed to be taken can, in the opinion of the arbitrator to whom the question of disputed compensation is submitted, be severed from the remainder of the house or manufactory without material detriment thereto, provided that compensation may be awarded in respect of the severance of the part so proposed to be taken in addition to the value of that part.

(8.) Where in the opinion of the arbitrator the demolition of an obstructive building adds to the value of such other buildings as are in that behalf mentioned in this section, the arbitrator shall apportion so much of the compensation to be paid for the demolition of the obstructive building as may be equal to the increase in value of the other buildings amongst such other buildings respectively, and the amount apportioned to each such other building in respect of its increase in value by reason of the demolition of such obstructive building shall be deemed to be private improvement expenses incurred by the local authority in respect of such building, and such local authority may, for the purpose of defraying such expenses, make and levy improvement rates on the occupier of such premises accordingly ; and the provisions of the Public Health Acts relating to private improvement expenses and to private improvement rates shall, so far as circumstances admit, apply accordingly in the same manner as if such provisions were incorporated in this Act. [*See the Public Health Act 1875, ss. 213—215.*]

(9.) If any dispute arises between the owner or occupier of any building (to which any amount may be apportioned in respect of private improvement expenses) and the arbitrator by whom such apportionment is made, such dispute shall be settled by two Justices in manner provided by the Lands Clauses Acts, in cases where the compensation claimed in respect of lands does not exceed fifty pounds.

(10.) Where the owner retains the site or any part thereof, no house or other building or erection which will be dangerous or injurious to health, or which will be an obstructive building within the meaning of

this section, shall be erected upon such site or any part thereof; and if any house, building, or erection is erected on the site contrary to the provisions of this section the local authority may at any time order the owner to abate or alter the said house, building, or erection; and in the event of non-compliance with such order may, at the expense of the owner thereof, abate or alter the same.

(11.) Where the lands are purchased by the local authority the local authority shall pull down the obstructive building, or such part thereof as may be obstructive within the meaning of this section, and keep as an open space the whole site, or such part thereof as may be required to be kept open for the purpose of remedying the nuisance or other evils caused by such obstructive building, and may, with the assent of the Local Government Board, and upon such terms as that Board think expedient, sell such portion of the site as is not required for the purpose of carrying this section into effect.

(12.) A local authority may, where they so think fit, dedicate any land acquired by them under the authority of this section as a highway or other public place.

*Scheme for Reconstruction.\**

Scheme for  
area compris-  
ing houses  
closed by  
closing order.

**39.†—**(1.) In any of the following cases, that is to say—

- (a) where an order for the demolition of a building has been made in pursuance of this part of this Act, and it appears to the local authority that it would be beneficial to the health of the inhabitants of the neighbouring dwelling-houses if the area of the dwelling-house of which such building forms part were used for all or any of the following purposes, that is to say, either—
  - (i) dedicated as a highway or open space, or
  - (ii) appropriated, sold, or let for the erection of dwellings for the working classes, or
  - (iii) exchanged with other neighbouring land which is more suitable for the erection of such dwellings, and on exchange will be appropriated, sold, or let for such erection; or
- (b) where it appears to the local authority that the closeness, narrowness, and bad arrangement or bad condition of any buildings, or the want of light, air, ventilation, or proper conveniences, or any other sanitary defect in any buildings is dangerous or prejudicial to the health of the inhabitants either of the said buildings or of the neighbouring buildings, and that the demolition or the reconstruction and re-arrangement of the said buildings or of some of them is necessary to remedy the said evils, and that the area comprising those buildings and the yards, outhouses, and appurtenances thereof, and the site thereof, is too small to be dealt with as an unhealthy area under Part I. of this Act,

the local authority shall pass a resolution to the above effect and direct a scheme to be prepared for the improvement of the said area.

(2.) Notice of the scheme may at any time after the preparation thereof be served in manner provided in Part I. of this Act with respect to notices of lands proposed to be taken compulsorily under a scheme made in pursuance of that part of this Act, on every owner or reputed owner,

\* See 3 Edw. 7, c. 39, ss. 6, 7 and 14.

† S. 1 of the Housing of the Working Classes Act 1894 enacts as follows: "1. For any purpose for which a local authority are, by a scheme for reconstruction duly sanctioned under Part II. of the Housing of the Working Classes Act, 1890, or by the Order sanctioning the Scheme, authorised to borrow, the authority shall have power and shall be deemed always to have had power to borrow in like manner and subject to the like conditions as they may borrow under section forty-three of that Act for the purpose of raising the sums required for the purchase money or compensation therein mentioned, and sections forty-three and forty-six of that Act shall apply accordingly."

lessee or reputed lessee, and occupier of any part of the area comprised in the scheme, so far as those persons can reasonably be ascertained.

(3.) The local authority shall, after service of such notice, petition the Local Government Board for an order sanctioning the scheme, and the Board may cause a local inquiry to be held, and, if satisfied on the report of such local inquiry that the carrying into effect of the scheme either absolutely, or subject to conditions or modifications would be beneficial to the health of the inhabitants of the said buildings or of the neighbouring dwelling-houses, may by order sanction the scheme with or without such conditions or modifications.

(4.) Upon such order being made, the local authority may purchase by agreement the area comprised in the scheme as so sanctioned, and if they agree for the purchase of the whole area, the order, save so far as it provides for the taking of land otherwise than by agreement, shall take effect without confirmation. If they do not so agree, the order shall be published by the local authority by inserting a notice thereof in the *London Gazette*, and by serving notice thereof on the owners of every part of the area.

(5.) Any owner may, within two months after such publication, petition the Local Government Board against the order, and if such petition is presented and is not withdrawn, the order shall be provisional unless it is confirmed by Act of Parliament.

(6.) If the Local Government Board are satisfied that the order has been duly published, and that two months after such publication have expired, and that either a petition has not been presented, or if presented has been withdrawn, they shall confirm the order, and thereupon such order shall come into operation, and have effect as if it were enacted by this Act.

(7.) The order may incorporate the provisions of the *Lands Clauses Acts*, and for the purpose of those provisions this Act shall be deemed to be the special Act, and the local authority to be the promoters of the undertaking, and the area shall be acquired within three years after the date of the confirmation of the order: Provided that the amount of compensation shall, in case of difference, be settled by arbitration in manner provided by this part of this Act.

(8.) The provisions of Part I. of this Act relating to costs to be awarded in certain cases by a committee of either House of Parliament, to the duty of a local authority to carry a scheme when confirmed into execution, to the completion of a scheme on failure by a local authority, and to the extinction of rights of way and other easements, shall, with the necessary modifications, apply for the purpose of any scheme under this section in like manner as if it were a scheme under Part I. of this Act.

(9.) The Local Government Board, on being satisfied by the local authority that an improvement can be made in the details of any scheme under this section, may by order permit the local authority to modify any part of the scheme which it may appear inexpedient to carry into execution: Provided that—

(a) if the order sanctioning the scheme was confirmed by Parliament, a statement of such modification shall be laid by the Local Government Board before both Houses of Parliament as soon as practicable; and

(b) in any case, if the modification requires a larger expenditure than that sanctioned by the original scheme, or authorises the taking of any property otherwise than by agreement, or injuriously affects any property in a manner different from that proposed in the original scheme, without the consent of the owner or occupier of such property, notice of the order authorising the modification shall be published, and the order may be petitioned against and shall be subject to confirmation in like manner as if it were an order sanctioning an original scheme under this section.

Provisions for accommodation of persons of the working classes.

**40.** The Local Government Board shall in any order sanctioning a scheme under this part of this Act require the insertion in the scheme of such provisions (if any) for the dwelling accommodation of persons of the working classes displaced by the scheme as seem to the Board required by the circumstances.

*Settlement of Compensation.*

Provisions as to arbitration.

**41.** In all cases in which the amount of any compensation is, in pursuance of this part of this Act, to be settled by arbitration, the following provisions shall have effect; (namely,)

- (1.) The amount of compensation shall be settled by an arbitrator to be appointed and removable by the Local Government Board.
- (2.) In settling the amount of any compensation—
  - (a.) The estimate of the value of the dwelling-house shall be based on the fair market value as estimated at the time of the valuation being made of such dwelling-house, and of the several interests in such dwelling-house, due regard being had to the nature and then condition of the property and the probable duration of the buildings in their existing state, and to the state of repair thereof, and without any additional allowance in respect of compulsory purchase; and
  - (b.) The arbitrator shall have regard to and make an allowance in respect of any increased value which, in his opinion, will be given to other dwelling-houses of the same owner by the alteration or demolition by the local authority of any buildings. [See 3 *Edw.* 7, c. 39, s. 7.]
- (3.) Evidence shall be receivable by the arbitrator to prove—
  - (1st) that the rental of the dwelling-house was enhanced by reason of the same being used for illegal purposes or being so overcrowded as to be dangerous or injurious to the health of the inmates; or
  - (2ndly) that the dwelling-house is in a state of defective sanitation, or is not in reasonably good repair; or
  - (3rdly) that the dwelling-house is unfit, and not reasonably capable of being made fit, for human habitation; and, if the arbitrator is satisfied by such evidence, then the compensation—
    - (a) shall in the first case so far as it is based on rental be based on the rental which would have been obtainable if the dwelling-house was occupied for legal purposes and only by the number of persons whom the dwelling-house was under all the circumstances of the case fitted to accommodate without such overcrowding as is dangerous or injurious to the health of the inmates; and
    - (b) shall in the second case be the amount estimated as the value of the dwelling-house if it had been put into a sanitary condition, or into reasonably good repair, after deducting the estimated expense of putting it into such condition or repair; and
    - (c) shall in the third case be the value of the land, and of the materials of the buildings thereon.
- (4.) On payment or tender to the person entitled to receive the same of the amount of compensation agreed or awarded to be paid in respect of the dwelling-house, or on payment thereof in manner prescribed by the Lands Clauses Acts, the owner shall, when required by the local authority, convey his interest in such dwelling-house to them, or as they may direct; and in default thereof, or if the owner fails to adduce a good title to such dwelling-house to the satisfaction of the local authority, it shall be lawful for the local authority, if they think fit, to execute a deed poll in such manner and with such consequences as are mentioned in the Lands Clauses Acts.

- (5.) Sections thirty-two, thirty-three, thirty-five, thirty-six, and thirty-seven of the Lands Clauses Consolidation Act, 1845, shall apply, with any necessary modifications, to an arbitration and to an arbitrator appointed under this part of this Act. 8 & 9 Vict. c. 18.
- (6.) The arbitrator may, by one award, settle the amount or amounts of compensation payable in respect of all or any of the dwelling-houses included in one or more order or orders made by the local authority; but he may, and, if the local authority request him so to do, shall, from time to time make an award respecting a portion only of the disputed cases brought before him.
- (7.) In the event of the death, removal, resignation, or incapacity, refusal, or neglect to act of any arbitrator before he shall have made his award, the Local Government Board may appoint another arbitrator, to whom all documents relating to the matter of the arbitration which were in the possession of the former arbitrator shall be delivered.
- (8.) The arbitrator may, where he thinks fit, on the request of any party by whom any claim has been made before him, certify the amount of the costs properly incurred by such party in relation to the arbitration, and the amount of the costs so certified shall be paid by the local authority.
- (9.) The arbitrator shall not give such certificate where the arbitrator has awarded the same or a less sum than has been offered by the local authority in respect of such claim before the appointment of the arbitrator, and need not give such certificate to any party where he considers that such party neglected, after due notice from the local authority, to deliver to that authority a statement in writing within such time, and containing such particulars respecting the compensation claimed, as would have enabled the local authority to make a proper offer of compensation to such party before the appointment of the arbitrator.
- (10.) If within seven days after demand the amount so certified be not paid to the party entitled to receive the same, such amount shall be recoverable as a debt from the local authority with interest at the rate of five per cent. per annum for any time during which the same remains unpaid after such seven days as aforesaid.
- (11.) The award of the arbitrator shall be final and binding on all parties.

#### *Expenses and Borrowing.*

**42.—**(1.) All expenses incurred by a local authority in the execution of this part of this Act shall be defrayed by them out of the local rate; and that authority, notwithstanding any limit contained in any Act of Parliament respecting a local rate, may levy such local rate, or any increase thereof, for the purposes of this part of this Act. Expenses of local authority.

(2.) Any expenses incurred by a rural sanitary authority under this part of this Act, other than the expenses incurred in and incidental to proceedings for obtaining a closing order, shall be charged as special expenses on the contributory place in respect of which they are incurred.

**43.—**(1.) A local authority may borrow for the purpose of raising sums required for purchase money or compensation payable under this part of this Act in like manner, and subject to the like conditions, as for the purpose of defraying the expenses of the execution by such authority of the Public Health Acts. (2.) Where the county council—

(a) are of opinion that proceedings for a closing order as respects any dwelling-house ought to be instituted, or that an order ought to be made for the demolition of any buildings forming or forming part of any dwelling-house as to which a closing order has been made, or that an order ought to be made for pulling down an obstructive building specified in any representation under this part of this Act; and

(b) after reasonable notice, not being less than one month, of such opinion has been given in writing to the district authority, consider that such authority have failed to institute or properly prosecute proceedings, or to make the order for demolition, or to take steps for pulling down an obstructive building;

(2.) The deposit at the office of the local authority of the copies of such maps and schedules as aforesaid, with a description of the situation of such office, and a statement of the time at which such copies may be inspected by any person desirous of inspecting the same.

Such publication shall be made not only by advertisement, but also by placards and handbills affixed in conspicuous places on or near the lands to be taken, and also by leaving a notice thereof at each house proposed to be taken, and also by sending a notice thereof by post to the persons interested in such lands as owners or reputed owners, lessees or reputed lessees, so far as they can be reasonably ascertained. 42 & 43 Vict. c. 63, Sch. proceed to decide on the amount of compensation to which he may consider the claimant to be entitled in each case.

(8.) The arbitrator shall give notice to the claimants in disputed cases by causing such notice to be published or otherwise in such manner as he thinks advisable, of a time and place at which the difference between the claimants and the local authority in disputed cases as to the amount of compensation to be paid will be decided by the arbitrator.

Such abstract of title, in the case of a person claiming a fee simple interest in the land, shall commence twenty years previous to the date of the claim, except there has been an absolute conveyance on sale within twenty years, and more than ten years previous to the claim when the abstract shall commence with such conveyance.

c. 63. Sch. (2).

Amendment respecting severance of properties.  
8 & 9 Vict.  
c. 18.

42 & 43 Vict.  
c. 63. Sch. (3).

(11.) The arbitrator shall have the same power of apportioning any rent-service, rentcharge, chief or other rent, payment, or incumbrance, or any rent payable in respect of lands comprised in a lease, as two Justices have under the Lands Clauses Consolidation Act, 1845.

(12.) Notwithstanding anything in section ninety-two of the Lands Clauses Consolidation Act, 1845, the arbitrator may determine that such part of any house, building, or manufactory as is proposed to be taken by the local authority can be taken without material damage to such house, building, or manufactory, and if he so determine may award compensation in respect of the severance of the part so proposed to be taken, in addition to the value of that part, and thereupon the party interested shall be required to sell and convey to the local authority such part, without the local authority being obliged to purchase the greater part or the whole of such house, building, or manufactory.

The local authority, or any person interested, if dissatisfied with a determination under this enactment, may, in manner provided with respect to appeals to a jury in respect of compensation for land by this Schedule, submit the question of whether the said part can be taken without material damage, as well as the question of the proper amount of compensation, to a jury; and the notice of intention to appeal shall be given within the same time as notice of intention to appeal against the amount of compensation awarded is required to be given.

If the arbitrator is satisfied that the failure or omission to purchase the said estate, right, interest, or charge, arose from any default on the part either of the claimant or of the local authority, he may direct the costs to be paid by the party so in default.

Omitted interests.

42 & 43 Vict.  
c. 63. Sch. (4).

*Payment of Purchase Money.*

(14.) Within thirty days from the delivery of such statement and abstract as aforesaid to the local authority, the local authority shall, where it appears to them that any person so claiming is absolutely entitled to the lands, estate, or interest claimed by him, deliver to such person, on demand, a certificate stating the amount of the compensation to which he is entitled under the said award. Arts. 14-24.  
See 38 & 39  
Vict. c. 36.  
Sch.

(15.) Every such certificate shall be prepared by and at the cost of the local authority; and where any agreement has been entered into as to the compensation payable in respect of the interest of any person in any lands, the local authority may, where it appears to them that such person is absolutely entitled, deliver to such person a like certificate.

(16.) The local authority shall, thirty days after demand, pay to the party to whom any such certificate is given, or otherwise as herein provided in the cases herein-after mentioned, the amount of moneys specified to be payable by such certificate to the party to whom or in whose favour such certificate is given, his or her executors, administrators, or assigns.

(17.) If the local authority wilfully make default in such payment as aforesaid, then the party named in such certificate shall be entitled to enter up judgment against the local authority in the High Court, for the amount of the sums specified in such certificate, in the same manner in all respects as if he had been, by warrant of attorney from the local authority, authorised to enter up judgment for the amount mentioned in the certificate, with costs, as is usual in like cases; and all moneys payable under such certificates, or to be recovered by such judgments as aforesaid, shall at law and in equity be taken as personal estate as from the time of the local authority entering on any such lands as aforesaid.

(18.) When and so soon as the local authority have paid to the party to whom any such certificate as aforesaid is given, or otherwise, as herein provided, in the cases herein-after mentioned, the amount specified to be payable by such certificate to the party to whom or in whose favour the certificate is given, his executors, administrators, or assigns, it shall be lawful for the local authority, upon obtaining such receipt as herein-after mentioned, from time to time to enter upon any lands in respect of which such certificate is given, and thenceforth to hold the same for the estate or interest in respect of which the amount specified in such certificate was payable.

(19.) In every case in which any moneys are paid by any local authority under this Act for such compensation as aforesaid, the party receiving such moneys shall give to the local authority a receipt for the same, and such receipt shall have the effect of a grant, release, and conveyance of all the estate and interest of such party, and of all parties claiming under or through him, in the lands in respect of which such moneys are paid, provided such receipt has an ad valorem stamp of the same amount impressed thereon in respect of the purchase moneys mentioned in such certificate as would have been necessary if such receipt had been an actual conveyance of such estate or interest, every such receipt to be prepared by and at the cost of the local authority.

(20.) If it appear to the local authority, from any such statement and abstract as aforesaid, or otherwise, that the person making any such claim as aforesaid is not absolutely entitled to the lands, estate, or interest in respect of which his claim is made, or is under any disability, or if the title to such lands, estate, or interest be not satisfactorily deduced to the local authority, then and in every such case the amount to be paid by the local authority in respect of such lands, estate, or interest as aforesaid shall be paid and applied as provided by the clauses of the Lands Clauses Consolidation Act, 1845, as amended by the Court of Chancery Funds Act, 1872, "with respect to the purchase money or compensation coming to parties having limited interests, or prevented from treating, or not making title."

(21.) Where any person claiming any right or interest in any lands refuses to produce his title to the same, or where the local authority have under the provisions of Part I. of this Act taken possession of any lands in respect of the compensation whereof, or of any estate or interest wherein, no claim has been made within one year from the time of the local authority taking possession, or if any party to whom any such certificate has been given or tendered refuses to receive such certificate, or to accept the amount therein specified as payable to him, then and in any such case the amount payable by the local authority in respect of such lands, estate, or interest, or the amount specified in such certificate, shall be paid into the Bank of England, in manner provided by the last-mentioned clauses of the Lands Clauses Consolidation Act, 1845, as amended by

the Court of Chancery Funds Act, 1872, and the amount so paid into the said Bank shall be accordingly dealt with as by the said Act provided.

(22.) Nothing herein contained shall prevent the local authority from requiring any further abstract or evidence of title respecting any lands included in any such award as aforesaid, in addition to the abstract or statement herein-before mentioned, if they think fit, so as the same be obtained at the cost of the local authority.

(23.) If from any reason whatever the local authority does not deliver the certificate aforesaid to any party claiming to be entitled to any interest in any lands the possession whereof has been taken by the local authority as aforesaid, then the right to have a certificate according to the provisions of this Act may, at the cost and charge of the local authority, be enforced by any party or parties, by application to the High Court, in a summary way by petition, and all other rights and interests of any party or parties arising under the provisions of this Act may be in like manner enforced against the local authority by such application as aforesaid.

*Entry on Lands on making Deposit.*

(24.) Where the local authority are desirous, for the purposes of their works, of entering upon any lands before they would be entitled to enter thereon under the provisions herein-before contained, it shall be lawful for the local authority, at any time after the arbitrator has framed his award, upon depositing in the Bank of England such sum as the arbitrator may certify to be in his opinion the proper amount to be so deposited in respect of any lands authorised to be purchased or taken by the local authority, and mentioned in such award, to enter upon and use such lands for the purposes of the improvement scheme of the local authority: and the arbitrator shall, upon the request of the local authority at any time after he has framed such award, certify under his hand the sum which, in his opinion, should be so deposited by the local authority in respect of any lands mentioned in such award before they enter upon and use the same as aforesaid, and the sum to be so certified shall be the sum or the amount of the several sums set forth in such award as the sum or sums to be paid by the local authority in respect of such lands, or such greater amount as to the arbitrator, under the circumstances of the case, may seem proper; and, notwithstanding such entry as aforesaid, all proceedings for and in relation to the completion of the award, the delivery of certificates, and other proceedings under Part I. of this Act, shall be had, and payments made, as if such entry and deposit had not been made;

Provided that the local authority shall, where they enter upon any lands by virtue of this present provision, pay interest at the rate of five pounds per centum per annum upon the compensation money payable by them in respect of any lands so entered upon, from the time of their entry until the time of the payment of such money and interest to the party entitled thereto, or where, under the provisions of Part I. of this Act, such compensation is required to be paid into the Bank of England, then until the same, with such interest, is paid into such Bank accordingly; and where under this provision interest is payable on any compensation money the certificate to be delivered by the local authority in respect thereof shall specify that interest is so payable, and the same shall be recoverable in like manner as the principal money mentioned in such certificate.

(25.) The money so deposited as last aforesaid shall be paid into the Bank of England to such account as may from time to time be directed by any regulation or Act for the time being in force in relation to moneys deposited in the bank in similar cases, or to such account as may be directed by any order of the High Court, and remain in the bank by way of security to the parties interested in the lands which have been so entered upon for the payment of the money to become payable by the local authority in respect thereof under the award of the arbitrator; and the money so deposited may, on the application by petition of the local authority, be ordered to be invested in Bank Annuities or Government securities, and accumulated: and upon such payment as aforesaid by the local authority it shall be lawful for the High Court, upon a like application, to order the money so deposited, or the funds in which the same shall have been invested, together with the accumulation thereof, to be repaid or transferred to the local authority, or, in default of such payment as aforesaid by the local authority, it shall be lawful for the said court to order the same to be applied in such manner as it thinks fit for the benefit of the parties for whose security the same shall so have been deposited.

*Appeal.*

(26.) In the following cases, namely,—

- (a.) Where the party named in any certificate issued under the provisions herein-before contained of the amount of the compensation ascertained by any award under Part I. of this Act (or any party claiming under the party so named) is dissatisfied with the amount in such certificate certified to be payable, and such amount exceeds one thousand pounds, and
- (b.) Where any party claiming any interest in any moneys so paid into court as aforesaid is dissatisfied with the amount of the price or compensation in respect of which such moneys are paid into court, and such amount exceeds one thousand pounds; also

See 45 & 46  
Vict. c. 54.  
Sch. (G).

the party dissatisfied may, upon obtaining the leave of the High Court, which leave may be granted by such court or any judge thereof at chambers in a summary manner, and upon being satisfied that a failure of justice will take place if the leave is not granted, submit the question of the proper amount of compensation to a jury, provided that such party give notice in writing to the other party of their intention to appeal within ten days after the cause of appeal has arisen.

- (2.) Where the party claiming compensation appeals, then, in case the verdict of the jury is for a sum exceeding the award of the arbitrator, the local authority shall pay to such party the costs of the trial, such costs to be taxed and ascertained in the same manner as costs are by law ascertained on the trial of issues tried in the High Court ; but in case the verdict of the jury is for a sum not exceeding the award of the arbitrator, the party appealing shall pay to the local authority the costs of the trial to be taxed and ascertained in manner aforesaid.
- (3.) Where the local authority is the appellant,—

Further, any such certificate may be made a rule of a superior court on the application of any party named therein, and may be enforced accordingly.

(29.)—(1.) It shall be lawful for the arbitrator, where he thinks fit, upon the request of any party by whom any claim has been made before him, to certify the amount of the costs properly incurred by such party in relation to the arbitration, and the amount of the costs so certified shall be paid by the local authority;

Provided that—

(a.) The arbitrator shall not be required to certify the amount of costs in any case where he considers such costs are not properly payable by the local authority;

(b.) The arbitrator shall not be required to certify the amount of costs incurred by any party in relation to the arbitration, in any case where he considers that such party neglected, after due notice from the local authority, to deliver to that authority a statement in writing within such time, and containing such particulars respecting the compensation claimed, as would have enabled the local authority to make a proper offer of compensation to such party before the appointment of the arbitrator.

(c.) No certificate shall be given where the arbitrator has awarded the same or a less sum than has been offered by the local authority in respect of the claim before the appointment of the arbitrator.

(2.) If within seven days after demand the amount certified be not paid to the party entitled to receive the same, such amount shall be recoverable as a debt from the local authority with interest at the rate of five per cent. per annum for any time during which the same remains unpaid after such seven days as aforesaid.

(2) If, in the opinion of the Board of Education, any enlargement of a public elementary school is such as to amount to the provision of a new school, that enlargement shall be so treated for the purposes of this section.

(3) Any transfer of a public elementary school to or from a local education authority shall for the purposes of this section be treated as the provision of a new school.

[See 3 Edw. 7, c. 24, s. 2 (2) and (3).]

schools.

9. The Board of Education shall, without unnecessary delay, determine, in case of dispute, whether a school is necessary or not, and, in so determining, and also in deciding on any appeal as to the provision of a new school, shall have regard to the interest of secular instruction, to the wishes of parents as to the education of their children, and to the economy of the rates; but a school for the time being recognized as a public elementary school shall not be considered unnecessary in which the number of scholars in average attendance, as computed by the Board of Education, is not less than thirty. shall be apportioned in such manner as the Board of Education think just.

But if in any year the total amount of parliamentary grants payable to a local education authority would make the amount payable out of other sources by that authority on account of their expenses under this part of this Act less than the amount which would be produced by a rate of three-pence in the pound, the parliamentary grants shall be decreased, and the amount payable out of other sources shall be increased by a sum equal in each case to half the difference.

(2) For the purposes of this section the number of scholars shall be taken to be the number of scholars in average attendance, as computed by the Board of Education, in public elementary schools maintained by the authority.

11.—(1) The foundation managers of a school shall be managers appointed under the provisions of the trust deed of the school, but if it is shown to the satisfaction of the Board of Education that the provisions of the trust deed as to the appointment of managers are in any respect inconsistent with the provisions of this Act, or insufficient or inapplicable for the purpose, or that there is no such trust deed available, the Board of Education shall make an order under this section for the purpose of meeting the case. (3) Notice of any such application, together with a copy of the draft final order proposed to be made thereon, shall be given by the Board of Education to the local education authority and the existing owners, trustees, and managers, and any other persons who appear to the Board of Education to be interested, and the final order shall not be made until six weeks after notice has been so given.

(4) In making an order under this section with regard to any school, the Board of Education shall have regard to the ownership of the school building, and to the principles on which the education given in the school has been conducted in the past.

(5) The Board of Education may, if they think that the circumstances of the case require it, make any interim order on any application under this section to have temporary effect until the final order is made.

(6) The body of managers appointed under this Act for a public elementary school not provided by the local education authority shall be the managers of that school both for the purposes of the Elementary Education Acts, 1870 to 1900, and this Act, and, so far as respects the management of the school as a public elementary school, for the purpose of the trust deed.

(7) Where the receipt by a school, or the trustees or managers of a school, of any endowment or other benefit is, at the time of the passing of this Act, dependent on any qualification of the managers, the qualification of the foundation managers only shall, in case of question, be regarded. *[See 3 Edw. 7, c. 24, 1st Sch. par. 10.]*

(8) The Board of Education may, on the application of the managers of the school, the local education authority, or any person appearing to them to be interested in the school, revoke, vary, or amend any order made under this section by an order made in a similar manner; but before making any such order the draft thereof shall, as soon as may be, be laid before each House of Parliament, and, if within thirty days, being days on
